Most of the students studying in our college from rural areas economically poor background, but they are not poor in talent and knowledge. In order to make them into holistic personalities, along with academic enrichment number of activities are organized in the college so as students may get an opportunity to develop their potential. Gives exposure to the students to get an opportunity to participate in every curricular, extracurricular and extension activities very actively. Various clubs, Professional Societies, associations in college offer students a platform to nurture and develop their soft skills. To reduce the gap between Academia and Industry the institute plans program like Industrial visits, expert talk, seminars, workshops, Internship, Value added courses etc. THE Institute has set up an IAS academy to create awareness among the students about the Civil Service exams and motivate them for getting coaching's and participating in IAS exams and other government competitive exams. Institute being close to Perundurai SIPCOT, It has signed MoU with several MSME industries existing there for giving exposure to the students and to provide internships. To make the students competent and efficiently strong, they are asked to enroll in several professional bodies and motivated to organize several programs and update with the currents.
