Professor G. Sivakumar, associate Professor has attended a Seminar on “Engineering Management of Launch complex – application of system engineering” in Erode Sengunthar Engineering College, Erode on 09.09.2017.

Mr. K.A.Dhamocharan, Assistant Professor has attended a seminar on “ Engineering Mangement of Launch complex – application of system engineering “ organized by ISSE at P.S.G.College of Technology, Coimbatore on 09.09.2017.

Prof. G.Sivakumar, Associate Professor and Mr. R. Karunamoorthi, Assistant Professor have attended a online faculty development programme on the topic “ Networking simulation and related technologies which is sponsored by Dell soft on 21.09.2017.

Dr. K.M.Subramanian, Assistant Professor (Selection Grade – II) has attended a Train The Trainer Programme on the topic “ Mobile Application and Development with Android” in Saint Anousis University, Mangalore from 25.09.2017 to 27.09.2017.

Ms. D. Sathya, Assistant Professor has attended a Faculty Development Programme on “Networking simulation and related technologies” in Erode Sengunthar Engineering college, Erode on 28.09.2017.

Ms. P. Divyalakshmi, Assistant Professor has attended a online faculty development programme on the topic “ Networking simulation and related technologies which is sponsored by Dell soft on 28.09.2017.

Dr. K. M. Subramanian, Assistant Professor (Selection Grade – II), Ms. C. Kavitha, (Selection Grade – I), Ms.T. Kalaiselvi, (Selection Grade – I), Mr .P. Marimuthu, Assistant Professor , Ms.R.Thangamani, Assistant Professor and Ms. B. A. Lathika, Assistant Professor have attended a Faculty Development Programme on “Networking simulation and related technologies” in Erode Sengunthar Engineering college, Erode on 12.10.2017.

Mr.D.Vijaybabu, Assistant Professor, Ms. N. S. Kavitha, Assistant Professor and Ms. R. Thangamani, Assistant Professor have attended a Faculty Development Programme on “Introduction to R Programming” in Muthayammal Engineering College, Rasipuram from 30.10.2017 to 31.10.2017.

Dr.P.Venkateswari, Professor and Head, Mr.K.A.Dhamotharan, Assistant Professor (Senior Grade) Mr.C.Balasubramaniam, Assistant Professor (Senior Grade), Mr. D. Vijaybabu, Assistant Professor, Ms. N. S. Kavitha, Assistant Professor, Mr. S. S. L. DuraiArumugam, Assistant Professor have attended a Faculty Development Programme on “Networking simulation and related technologies” in Erode Sengunthar Engineering College, Erode on 02.11.2017.

Dr.P.Venkateswari, Professor and Head, Professor .G. Sivakumar, Associate Professor , Mr.D.Vijaybabu, Assistant Professor, Ms. R. Thangamani, Assistant Professor, Mr. S. S. L. DuraiArumugam, Assistant Professor and Ms. D. Sathya, Assistant Professor have attended Faculty Development Program on “Introduction to Big Data Analytics” in Erode Sengunthar Engineering College, Erode from 17.11.2017 to 18.11.2017.

Mr. K. A. Dhamotharan, Assistant Professor (Senior Grade) has attended a Faculty Development Program on “Mobile Computing” in Government College of Engineering , Bargur from 22.11.2017 to 26.11.2017.

Dr.P.Venkateswari, Professor and Head, Professor G. Sivakumar, Associate Professor, Ms.C.Kavitha, Assistant Professor (Selection Grade – I), Ms. T. Kalaiselvi, Assistant Professor (Selection Grade – I) , Mr. K. A. Dhamotharan, Assistant Professor (Senior Grade), Mr.C.Balasubramaniam, Assistant Professor (Senior Grade), Mr. R. Karunamoorthi, Assistant Professor, Mr. D. Vijaybabu, Assistant Professor, Ms. N. S. Kavitha, Assistant Professor, Ms. R. Thangamani, Assistant Professor, Mr. S. S. L. DuraiArumugam, Assistant Professor, Ms. B. A. Lathika, Assistant Professor, Ms. D. Sathya, Assistant Professor have attended a Workshop on “Memory Techniques and How to handle the class with Creativity” in Erode Sengunthar Engineering College, Erode 04.12.2017.

Dr. P. Venkateswari, Professor and Head has attended a Workshop on “Recent trends and tools in Social Network Analysis” in Mepco Schlenk Engineering College, Sivakasi from 06.12.2017 to 08.12.2017.

Ms.C.Kavitha, Assistant Professor (Selection Grade – I), Ms. T. Kalaiselvi, Assistant Professor (Selection Grade – I) and Ms. N. S. Kavitha, Assistant Professor have attended a Faculty development programme on “Artificial Intelligence“ in Vellalar College of Engineering and Technology, Erode 06.12.2017 to 08.12.2017.

Mr. C. Balasubramaniam, Assistant Professor (Senior Grade) and Mr. R. Karunamoorthi, Assistant Professor have attended a Workshop on “Software Testing” in Vidya Academy of Science and Technology, Thirussur from 06.12.2017 to 08.12.2017.

Awards and Achievements by the faculty

Our department faculty member Ms. C. Kavitha, Assistant Professor (Selection Grade – II) and Ms. T. Kalaiselvi, Assistant Professor (Selection Grade – II) have received the grant of Rs.40,000 from ICMR for conducting workshop on “ Virtual reality and its application to healthcare industry”.

Cocurricular Activities of the students

- K. Abarna along with 40 students of final year CSE have attended the ICMR sponsored National seminar on Data Analytics in Health Care systems at Erode Sengunthar Engineering college from 14.07.2017 to 15.07.2017.
- M.J.Ajay Pranav along with 24 students of Second year have participated in project expo contest in Erode Sengunthar Engineering college from 30.08.2017 to 31.08.2017.
- S.Mageshwaran along with 14 students of Final year have participated in the project expo contest Erode Sengunthar Engineering college from 30.08.2017 to 31.08.2017.
- R. Sneha along with 16 students of Third year have participated in the project expo contest in Erode Sengunthar Engineering college from 30.08.2017 to 31.08.2017.
- S. Sulochana of Final year has participated in the project expo contest in Erode Sengunthar Engineering college from 30.08.2017 to 31.08.2017. She won the First prize.
- R.Shena of Second year have participated in project expo contest in Erode Sengunthar Engineering college from 30.08.2017 to 31.08.2017. He won the Second prize.

- R.Ramya and T.Dhivya of Third year CSE have participated in the “LAZO Web” event at Bannari Amman Institute of Technology, Sathyamangalam on 09.09.2017.
- S.Sankar and S.Narendran of Third year CSE have participated in the paper presentation on the topic “Virtual 3D Touch Interface using obstruction Detection” at S R M University. Vadapalani on 15.09.2017. They got the Second prize.
- M.Nivasini and R.Ramya of Third year CSE have participated in the paper presentation on the topic “Online platform Ticket booking “at S R M University. Vadapalani on 15.09.2017.
- V.Shanmugam and A.Kaviyarasan of Third year CSE have attended a one day workshop on “Hardware and Networking” at S R M University. Vadapalani on 15.09.2017
- M.Deepika and R.Ramya of Third year CSE have participated in the paper presentation on the topic “Platform ticket booking app” at Vellalar college of Engineering on 16.09.2017.
- M.Deepika and R.Ramya of Third year CSE have participated in the Technical Event contest at Vellalar college of Engineering on 16.09.2017. They got the Second Prize.
- M.Shena and R.Raguram of Second year CSE have participated in the project contest– “Automatic high beam controller for vehicles” at Jansons Institute of Technology, Coimbatore on 22.09.2017. They got Third place
- S.Narendran and S.Sankar of Third year CSE have participated in the paper presentation on the topic “Virtual 3D Touch Interface using obstruction Detection “ at PSG Technology Coimbatore on 23.09.2017. They got Third Prize.
- M.Sankari, R.Rahave and A.Kavitha of Second year CSE have participated in the paper presentation on the topic “ Internet of Things” at Sengunthar Engineering College, Tiruchengode on 23.09.2017.
- M.Sankari, R.Rahave and A.Kavitha of Second year CSE have participated in the Multimedia event at Sengunthar Engineering College, Tiruchengode on 23.09.2017. They got Second prize.
- R.Shnega, K.Srishankari, M.Durga and M.Ragini of Third year CSE have attended a workshop on “Building an attractive webpage using bootstrap” at S N S Engineering College, Coimbatore on 25.09.2017.
- R.Shnega, K.Srishankari, M.Durga and M.Ragini of Third year CSE have attended the event “Quiz and code debugging” at Angel Engineering College, Tirupur on 26.09.2017.

- M. Ragini of Third year has participated in the event eagle finger in Angel Engineering College on 26.09.2017. She got Second prize.

Extra curricular activities of the students

- K.Abarna of Final year CSE has participated in the Anna University, Chennai, Zone-12, Ball Badminton Championship for Women at Institute of Road and Transport Technology, Chitode from 20.08.2017 to 21.08.2017.
- K.Abarna of Final year CSE has participated in the Anna University, Chennai, Zone-12, Ball Badminton Championship for Women at K.S.R.College of Technology, Tiruchengode from 23.08.2017 to 24.08.2017.
- K.Abarna of Final year CSE has participated in the Anna University, Chennai, Zone-12 Athletics at Bannari Amman Institute of Technology, Sathy from 27.09.2017 to 28.09.2017.
- D.Bhuvaneshwaran and J.Harini of Third year CSE have participated in the Anna University, Chennai, Zone-12 Athletics at Bannari Amman Institute of Technology, Sathy from 27.09.2017 to 28.09.2017.
- R.Snega of Second year CSE has participated in the Anna University, Chennai, Zone-12, Ball Badminton Championship for Women at K.S.R.College of Technology, Tiruchengode from 23.08.2017 to 24.08.2017.
- M.Nivea along with 39 Second year students were participated in Blood donation camp which is organized by the National Service Scheme of Erode Sengunthar Engineering College on 23.08.2017.

DEPARTMENT OF COMPUTER SCIENCE AND ENGINEERING

Vision

Department of Computer Science and Engineering of Erode Sengunthar Engineering College is committed to provide our students a world-class Technical Education and make them competent, creative, Self-made scholar and socially responsible professionals.

Mission

DM1: To make our students proficient in the fields of hardware, software, and web technology besides value-added courses.

DM2: To promote research temperament.

DM3: To provide training to enhance the soft skills of students and faculty.

DM4: To feed industries with high caliber Computer Science Engineers.

Program Educational Objectives (PEOs)

- 1. To impart the core competence by laying strong Foundation in Mathematics and core Computer science subjects and to make them as expertise in their profession.(Core Competence)**
- 2. To produce quality graduates,who will have socially responsible and professionally behave with moral ethics,human values with soft skills and get employment in Core computer/IT/ITES.
(Professional Employment & Citizenship)**
- 3. To mould the students to innovate new ideas/create new applications/thrust area projects.(Self Learning and Life Long Learning)**
- 4. Enable to know the basics of related interdisciplinary Engineering Course.(Breadth)**
