Department of Computer Science and Engineering has organized a one day workshop on " Computational Thinking " on 22.06.2016. Dr. Latha Parameswaran , Professor and Chairperson, Department of Computer Science and Engineering, Amrita Viswa Vidyapeetham University, Coimbatore was the resource person.

Dr. Latha Parameswaran , Professor and chairperson of CSE department, Amrita Viswa Vidyapeetham University, Coimbatore handled the session

The computer science and Engineering & CSI student's chapter activities for the academic year 2016-2017 was inaugurated on 29.07.2016. Mr. S. Kalyanasundaram, Team Lead, Vuram Technology Solutions, Chennai was the Chief Guest and inaugurated the Association activities for the year 2016-2017. In his address he explained about the importance of logical skill, attitude, understanding the business logic, code efficiency, analytical skill, adaptability, effective learning, and social responsibility.

Mr. S. Kalyanasundaram, Team Lead, Vuram Technology Solutions, Chennai lightning the lamp

The Computer Science and Engineering department has arranged a webinar on the topic " Presenting Yourself in an Interview" on 23.08.2016. Mr.Sudhir Koka Director, Learning & Organization GVK Bio Research and Development , Bengaluru was the resource person.

The Computer Science and Engineering department has organized an expert lecture for Final year Computer Science and Engineering students for the subject Resource Management Techniques on 24.08.2016 and 27.08.2016. Dr. D. Giridhar, Associate Professor of Mechanical department was the resource person.

Dr. D. Giridhar, Associate Professor / Mechanical Engineering gave the expert lecture

Leader of the Month program was conducted for Second year CSE Students on 27.08.2016. One of our alumni Mr. S. Subash Chandrabose, System Engineer, Sensible Software Solutions, Chennai was interacting with our students and gave the guidance about programming skill and expectations of the industry.

Mr. S. Subash Chandrabose, System Engineer, Sensible Software Solutions, Chennai was interacting with our students

Professor G. Sivakumar, ASP/CSE has delivered an awareness Seminar on "Website and Mobile Apps Development" for the Quality Improvement Cell (QIC) Student members on 29.08.2016
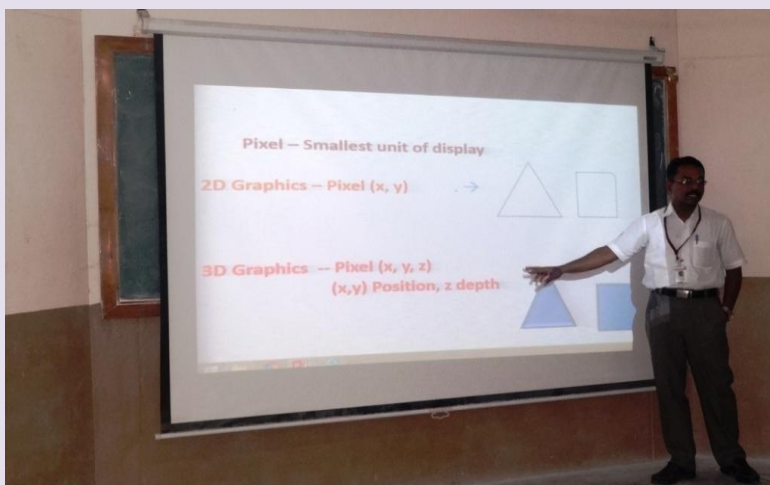

The Computer Science and Engineering department arranged a webinar with Infosys campus connect on the topic " Agile methodology Using software development model" on 31.08.2016.

The Computer Science and Engineering department has organized an expert lecture for Final year Computer Science and Engineering students for the subject Graph Theory and Applications on 10.09.2016. Dr. M. M. Akbarali, Assistant Professor of Mathematics department, Government Arts College, Udumalpet was the resource person.

Dr. M. M. Akbarali, Assistant Professor / Mathematics gave the expert lecture

The Computer Science and Engineering department has organized an expert lecture for Third year Computer Science and Engineering students for the subject Computer Graphics on 10.09.2016. Dr. G. Jeyakumar, Associate Professor of Computer Science and Engineering Department, Amrita School of Engineering, Coimbatore was the resource person.

Dr. G. Jeyakumar, Associate Professor / CSE gave the expert lecture

Leader of the Month program was conducted for Third year and final year CSE Students on 17.09.2016. One of our alumni Mr. R. Ilangeeran, Software Engineer, L&T Info Tech, Chennai was interacting with our students and gave the guidance about soft skill and expectations of the industry.

Mr. R. Ilangeeran, Software Engineer, L & T Info Tech, Chennai was interacting with our students

The Computer Science and Engineering department has organized an expert lecture for Second year Computer Science and Engineering students for the subject Transforms and Partial Differential Equations on 24.09.2016. Prof. U. Krishnasamy, Retired Professor (IRTT,Erode) was the resource person.

Prof. U. Krishnasamy, Retired Professor(IRTT,Erode) gave the expert lecture

ICT usage program was organized by our department along with Government of Tamilnadu for Erode District Government and Government Aided School Tamil Teachers from 22.09.2016 to 23.09.2016.

DEPARTMENT OF COMPUTER SCIENCE AND ENGINEERING

Vision

Department of Computer Science and Engineering of Erode Sengunthar Engineering College is committed to provide our students a world-class Technical Education and make them competent, creative, Self-made scholar and socially responsible professionals.

Mission

DM1: To make our students proficient in the fields of hardware, software, and web technology besides value-added courses.

DM2: To promote research temperament.

DM3: To provide training to enhance the soft skills of students and faculty.

DM4: To feed industries with high caliber Computer Science Engineers.

Program Educational Objectives (PEOs)

1. To impart the core competence by laying strong Foundation in Mathematics and core Computer science subjects and to make them as expertise in their profession.(Core Competence)

2. To produce quality graduates,who will have socially responsible and professionally behave with moral ethics,human values with soft skills and get employment in Core computer/IT/ITES.
   (Professional Employment & Citizenship)

3. To mould the students to innovate new ideas/create new applications/thrust area projects.(Self Learning and Life Long Learning)

4. Enable to know the basics of related interdisciplinary Engineering Course.(Breadth)
