NEWS BULLETIN 2021-2022

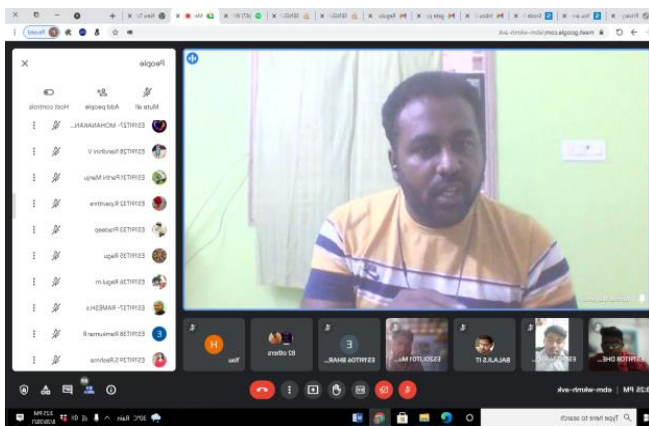

VOL. , No. I

Half Yearly

DECEMBER 2021

Department Academic Activities:

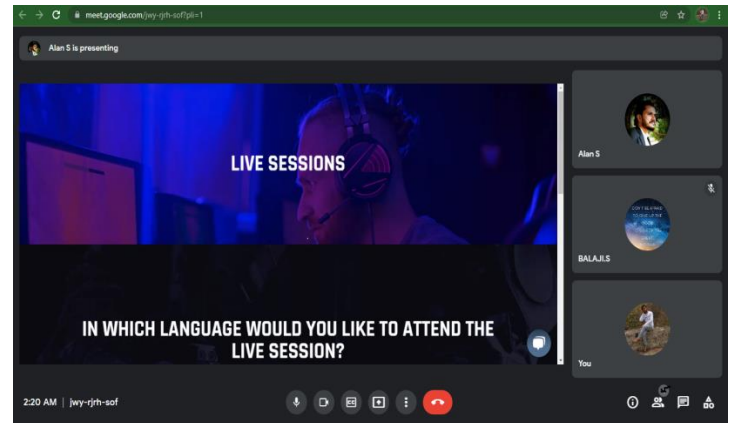

Department of Information Technology conducted Association Inaugural function with a Guest Lecture on “**Blooming Cloud in Corporate Era**” on 28.08.2021. **Mr.M.Nirmal Kumar, Senior Engineer – Cloud & Infra Services, L & T Infotech Ltd.** was the Chief Guest for the function. Mr. M. Nirmal Kumar gave a Guest Lecture in the domain of Cloud Computing and highlighted the following: Windows Azure Cloud Services, Deployment and Service Models, Cloud Storage Services and Cloud Infrastructure.

Chief Guest's Speech about Windows Azure

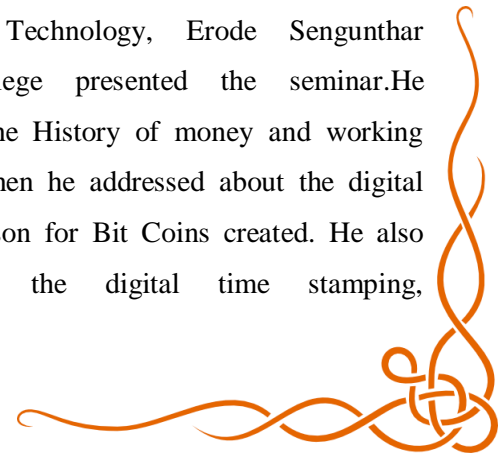

The Department of IT conducted Guest Lecture on “**Job Opportunities in Current Market Scenario**” on 11.09.2021. **Mr. Alan S**

Dinesh, Avodha Edutech Private Ltd., Cochin was the resource person. He explored on the future of IT graduates in the Engineering field and the significance of Cyber Security with the real time scenarios.

Mr. Alan S Dinesh – Presentation about Cyber Security

The Department of Information Technology conducted a Seminar titled “**Cryptocurrency and Blockchain Technology**” for the second year students on 18.09.2021. **Mr.S.Pradeep**, Third year, Department of Information Technology, Erode Sengunthar Engineering College presented the seminar. He discussed about the History of money and working style of banks. Then he addressed about the digital currency, and reason for Bit Coins created. He also explained about the digital time stamping,

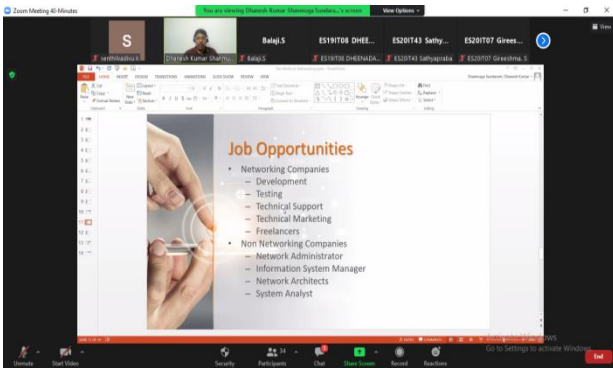

cryptocurrency and challenges in Block Chain technology. Finally he highlighted with the inclusion of Block Chain in E Commerce and Stock Exchanges.

Mr.S.Pradeep – Presentation about Block Chain

The Department of Information Technology organized an Expert Lecture titled “**The World of Internetworks**” on 18.09.2021. **Mr. S. Dhanesh Kumar, Program Manager, Hewlett Packard Enterprise, Bangalore** was the chief Guest for the session. He delivered his speech over Networking and discussed about the following concepts: Internetworking, Organizational scope of network, Internet and DARKNET and Game changers in network.

Mr. S. Dhanesh Kumar during his discussion about Job opportunities in networks

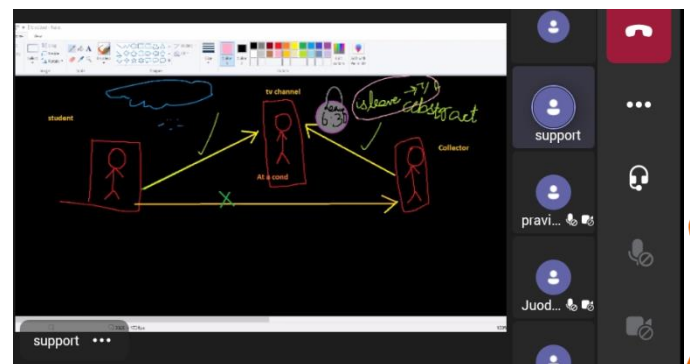

The Department of Information Technology conducted Seminar titled “**Cyber Security**” for the second year students on 09.10.2021.

Mr.A.K.Dheenadayaalan presented the session and elaborated about types of Cyber Security, Ethical Hacking, Security Architecture and different with a live demo.

Mr. A. K. Dheenadayaalan – Presentation about Cyber Security

The Department of Information Technology in association with IPC cell organized an Expert Training on “**App Development (Android) using JAVA**”, an **Internship Program** from 09.11.2021 to 23.11.2021 (15 Days). **Ms. Sonakshi Sinha, Associate Engineer, AICL Training, Chennai** was the mentor for the students. The internship provided a hands on training on how to create website using Android Application with the inclusion of JAVA, HTML, XHTML, XML and database connectivity.

Ms. Sonakshi Sinha – Internship Session

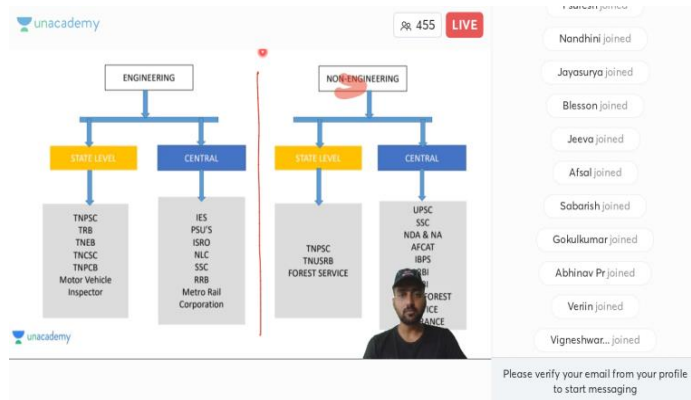

The Department of Information Technology in association with IIC Cell and ICT Academy conducted an Aspiring Entrepreneurs Program “**START UP Day**”

An Initiative Exposure on Project ideas” on 24.11.2021. The program taught the student participants about the initialization process and running over a successful business enterprise on their own and how to apply for funding projects. The session has three stages: An Entrepreneurship Awareness in Stage 1, Entrepreneurship Training in Stage 2, and Entrepreneurship Mentorship provided by industry experts in stage 3. The session inspired the students over beginning/running a successful business venture. At the end, the experts broadened about the stringent process carried out to shortlist the students to next level after the project idea submission.

Mr.V.Sathyamoorthy– Interaction about Project Ideas Submission

The Department of Information Technology in association with ESEC Career Guidance Cell, conducted an online webinar on **“Awareness on Government Job Opportunities for Engineering Students”** on 25.11.2021. **Mr.V.Sathyamoorthy, Gate Educator, Unacademy(PAN INDIA), Bangalore** handled the session. He gave a brief account on various government exams open for Engineering students. He also discussed about the question pattern for GATE exam, IBPS exam and about smart preparation for exams.

Mr.V.Sathyamoorthy– Discussion over Government exams.

The Department of Information Technology conducted Value Added Course **“Advanced Java Programming”** from 06.12.2021 to 17.12.2021.

Faculty Contributions

- ❖ **Dr.S.Selvi**, Associate Professor & Head, Department of Information Technology delivered a **webinar** titled **“Dynamic Programming and Greedy Technique”** at Vivekanandha College of Technology for Women, Tiruchengode on 08.05.2021.
- ❖ **Dr.S.Selvi**, Associate Professor & Head, Department of Information Technology offered a **Guest Lecture** titled **“Blockchain Technology”** at Kings College of Engineering, Pudukkottai on 04.09.2021.
- ❖ **Dr.S.Selvi**, Associate Professor & Head, Department of Information Technology presented a seminar titled **“Challenges in Block Chain Technology”** at Arasu Engineering College, Thanjavur on 11.09.2021.

Faculty Participation:

- ♣ **Ms.K.Senthilvadivu** attended FDP titled “**Research areas and Funding Opportunities**” in Dr.N.G.P.Institute of Technology from 1.6.2021 to 3.6.2021.
- ♣ **Dr.S.Selvi** attended two weeks FDP titled “**Data Science**” at EIT Academy, IIT Kanpur from 11.06.2021 to 27.06.2021.
- ♣ **Ms.K.Senthilvadivu** attended one week ATAL sponsored FDP on “**Kotlin : The Next Frontier in Metaprogramming**” in Velalar College of Engineering and Technology from 5.7.2021 to 9.7.2021.
- ♣ **Dr.S.Selvi** attended AERB sponsored Seminar titled “**Machine Learning and Big Data Processing related to Safety and Security of Nuclear Utilization**” at Hindusthan Institute of Technology from 27.10.2021 to 28.10.2021.
- ♣ **Dr.S.Selvi** attended one week STTP on “**Applied Machine Learning in Engineering**” at NITTTR Kolkatta from 07.06.2021 to 11.06.2021

Faculty Conference Presentation:

- ♣ **Dr.S.Selvi** presented a paper title “**IoT based Smart Agriculture Monitoring System**” at Malla Reddy College of Engineering on 24th & 25th September 2021.
- ♣ **N.S.Kavitha** presented a paper titled “**Artificial Intelligence Techniques for Escalating Crop Nurturing Process**” at

Malla Reddy College of Engineering on 24th & 25th September 2021.

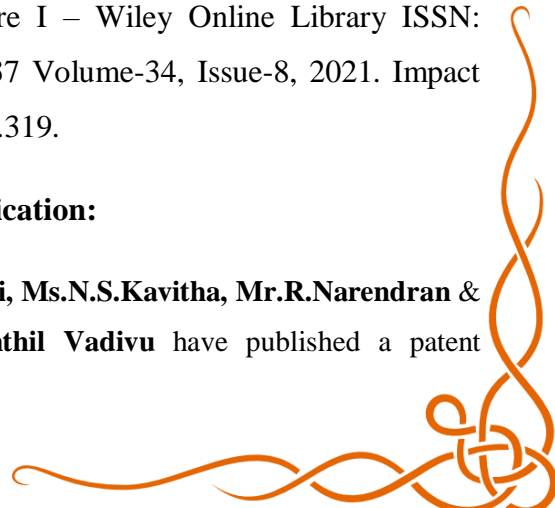

- ♣ **R.Narendren** presented a paper titled “**Efficient Soil Quality Detection and Effective Crop Production using IoT Technology**” at Malla Reddy College of Engineering on 24th & 25th September 2021.
- ♣ **Ms.K.Senthilvadivu** presented a paper titled “**Smart Garbage Management System**” at Malla Reddy College of Engineering on 24th & 25th September 2021.

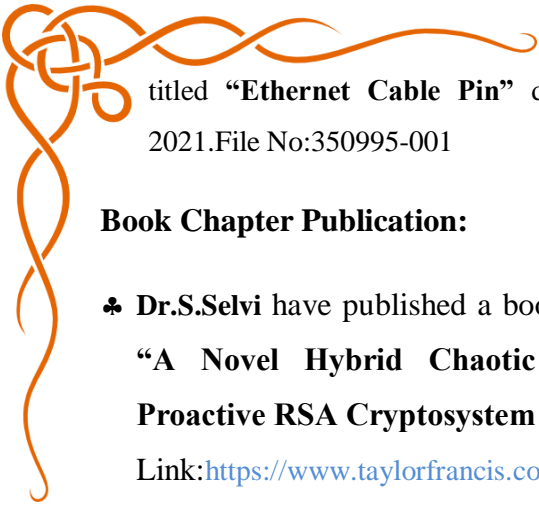

Faculty Publication:

Paper Publication:

- ♣ **Dr.S.Selvi & Ms.N.S.Kavitha** have published a paper titled “**A Cuckoo Optimized Fuzzy Approach For Rule Selection For Cross Layer Tcp**” in a Scopus Journal - Solid State Technology JSST. ISSN: 0038-111X, Volume-64, Issue-1, 2021. Impact Factor :25(H Index).
- ♣ **Ms.N.S.Kavitha** have published a paper titled “**Balanced wireless sensor networks with energy efficient bees swarm-harmony Search-Hill Climbing mechanism**” in a Annexure I – Wiley Online Library ISSN: 1097-0037 Volume-34, Issue-8, 2021. Impact Factor :1.319.

Patent Publication:

- ♣ **Dr.S.Selvi, Ms.N.S.Kavitha, Mr.R.Narendran & Ms.K.Senthil Vadivu** have published a patent
- 

titled “Ethernet Cable Pin” during November 2021. File No:350995-001

Book Chapter Publication:

- ♣ Dr.S.Selvi have published a book chapter titled “A Novel Hybrid Chaotic Map– Based Proactive RSA Cryptosystem inBlockchain”.

Link:<https://www.taylorfrancis.com/books/edit/10.1201/9781003139737/recent-trends-blockchain-information-systems-security/>

- ♣ Ms.N.S.Kavitha have published a book chapter “Health Care Monitoring using Machine Learning”.

Link:<https://www.routledge.com/Security-and-Privacy-Preserving-Techniques-in-Wireless-Robotics/Tyagi-Abraham-Kaklauskas-Sreenath-Rekha-Malik/p/book/9780367741730>.

Student Sports Participation:

- ♣ Aalan Antony Peri.A of Second Year IT won the RUNNER title for **basketball** match conducted by Second State Youth Sports at Sri Amaravathi College of Arts and Science on 10.10.2021.
- ♣ B.Shayam of Second Year IT won a GOLD medal for **football** match conducted by Second State Youth Sports at Sri Amaravathi College of Arts and Science on 10.10.2021.

Student Paper Presentation:

- ♣ Surya.S ,M.Sudha and Jamuna.S of Second Year IT presented a paper titled “3D Printing “at Ramakrishna Engineering College on 20.10.2021.
- ♣ B.Vikramkumar and S.Balaji of Second Year IT presented the conference titled “Artificial Intelligence Techniques for Escalating Crop

Nuturing Process” at Mallareddy Engineering College on 24.09.2021.

- ♣ M.Senbagaraman ,S.Thaneeshkumar and P.Kathirvel of Third Year IT presented a paper titled “Efficient Soil Detection” at Jai Shriram Engineering College on 01.10.2021
- ♣ S.Pradeep, V.Jayaprathap and C.Thamotharan of Third Year IT presented a paper, titled “Block Chain Technology” at Jai Shriram Engineering College on 01.10.2021.
- ♣ P.Kathirvel,G.Mohanakannan ,and K.Hariharan of third year IT presented a paper titled “Artificial Intelligence” at RVS Technical Campus and won SECOND PRIZE on 1.10.2021
- ♣ L.Dharshini ,V.Kokila and S.Saranya of Third Year IT presented the Conference titled “IOT based Smart Agriculture” at Malla Reddy College of Engineering on 24.09.2021.
- ♣ Senbagaraman.M, Rudreshkumar.C and S.Thaneeshkumar of Third year IT participated the Conference titled “Efficient Soil Detection” at Malla Reddy College of Engineering on 24.09.2021.
