| 2. Measures taken to complete the syllabus of courses and programs. | | The academic calendar is prepared and circulated to faculty and students, well before the reopening of the new semester to ensure the completion of syllabus in well advance. Faculty arrange special classes if they were not able to complete the syllabus in time. Remedial classes are conducted for the students who perform poorly. Through power point presentation and board presentation, entire syllabus is completed as per Lesson Plan. For analytical subjects, tutorial hours are conducted. Evening extra hours are also taken for better understanding of the subjects. After this students are asked to come with questions and answers for interaction and discussion. During pandemic situation, classes are conducted in online mode through Google meet and tests are also conducted and monitored by faculty. Students upload the answer sheets in respective mail IDs. In the beginning of the semester we post course orientation module, course materials, two mark question & answers, related video links, previous university question papers, etc in Google Classroom. Students can download the course materials for their study and reference. Several assignments are uploaded chapter wise in the Google Classroom and the faculty member insists the submission of assignments by the students within the stipulated time. Faculty members are well trained to complete the syllabus in time. For better understanding the students are given Industry interactions and the internships with the MOU signed with private and public sector undertakings. | |
