The Third Board of studies meeting of Civil Engineering for the B.E. (Civil) and M.E. (EE) degree program from the academic year 2020 – 21 onwards was convened and held on 09th November 2020 in the Conference Hall of Administrative Block, Erode Sengunthar Engineering College, Perundurai. The Minutes of the Meeting was

ITEM 01 WELCOMING OF BOARD OF STUDY MEMBERS

The Chairman of CIVIL Board of Studies welcomed all members of Board of Studies. He presented the introduction and achievements of the department and briefed the agenda to be discussed followed by introduction of all members present.

ITEM 02 TO DISCUSS REGARDING THE MINUTES OF MEETING IN SECOND BOARD OF STUDIES

The Chairman of CIVIL Board of Studies presented the minutes of meeting in second board of studies B.E. Civil Engineering programme. The Board of Studies reviewed the regulations and suggested following modifications.

- The members suggested to give the credit for placement syllabus.
- The committee insisted to provide the benefits of doing the particular course for placement and higher studies.
- The members enquired about evaluation parameter and suggested to conduct comprehensive exam once in a year.
- The members suggested handling the class from industry experts like L&T and other concerns related to the core of Engineering instead of interdisciplinary.

The Board of Studies resolved to approve the regulations of B.E. Civil Engineering programme brought forward by the Chairman incorporating the above changes.

ITEM 03 **TO CONSIDER AND APPROVE THE RECOMMENDATIONS REGARDING
PLACEMENT SYLLABUS TO BE INCLUDED IN THE UG CURRICULUM**

The Chairman of CIVIL Board of Studies presented the placement syllabus to be included in the UG curriculum. The Board of Studies reviewed the regulations and suggested following modifications.

- The members suggested changing the syllabus title as Career Development to improve placement and higher studies for students.
- The members suggested changing course name as Verbal Ability Level I to IV necessary to be made unique with other departments.
- The members suggested to add subjects related to Civil Engineering in Semester V& VI.
- The members suggested to include one course with International codes (Euro code/American Codes) for Design related

The Board of Studies resolved to approve the regulations of B.E. Civil Engineering programme brought forward by the Chairman incorporating the above changes.

ITEM 04 **D DISCUSS ABOUT THE INCORPORATION OF INDUSTRIAL
LABORATORY IN UG CURRICULUM**

The Chairman of CIVIL Board of Studies presented the incorporation of Industrial laboratory of B.E. Civil Engineering. The Board of Studies reviewed the regulations and suggested following modifications.

- The members suggested incorporating but not to change core curriculum.
- The members appreciated the concept is good and also gave suggestion to change title as Industrial Lab /Design Project and make it as credit score.

The Board of Studies resolved to approve the regulations of B.E. Civil Engineering programme brought forward by the Chairman incorporating the above changes.

ITEM 05 **TO APPROVE THE ADDITIONAL AND EXEMPTED COURSES FOR THE
TRANSFER/READMITTED STUDENTS**

The Chairman of CIVIL Board of Studies presented the additional and exempted courses for the transfer/readmitted students of B.E. Civil Engineering. The Board of Studies reviewed the regulations and suggested following modifications.

- The members suggested to form a separate committee to decide an additional subjects and Exempted Subjects to be included for the students who join with department from other college. Also he suggested BOS chairman has rights in adding subjects for readmitted/ backlogged students

through such a committee and that can be ratified in BOS.

The Board of Studies resolved to approve the regulations of B.E. Civil Engineering programme brought forward by the Chairman incorporating the above changes.

ITEM 06 TO DISCUSS ABOUT ADDITION OF NPTEL CREDIT COURSES IN UG CURRICULUM

The Chairman of CIVIL Board of Studies presented about addition of NPTEL credit courses in UG curriculum of B.E. Civil Engineering. The Board of Studies reviewed the regulations and suggested following modifications.

- The members suggested to add assignments and credit allotment (minimum 1 credit) for concerned NPTEL subjects. All the members agreed with this.
- The members suggested to have the NPTEL course as Non credit since it is common for all departments.

The Board of Studies resolved to approve the regulations of B.E. Civil Engineering programme brought forward by the Chairman incorporating the above changes.

ITEM 07 TO REVISE THE SUBJECT CODE ASSOCIATED WITH LABORATORY AND THEORY FOR B.E. (CIVIL ENGINEERING) PROGRAMME

The Chairman of CIVIL Board of Studies presented to revise the subject code associated with laboratory and theory for B.E. (Civil Engineering) programme. The Board of Studies reviewed the regulations and suggested following modifications.

- The chairman notified the change of subject code for 19TP101 -Life skills as 19TP101 - Soft Skill (supported by Infosys). Also with a note that this course will be delivered as 19TP101 - Soft Skills (supported by Infosys) to the students admitted from 2021-22 onwards.
- The members suggested points for Laboratory courses/theory courses during the pandemic situation as below.
 1. MCQ
 2. Assignments.
 3. Virtual Laboratory.

The Board of Studies resolved to approve the regulations of B.E. Civil Engineering programme brought forward by the Chairman incorporating the above changes.

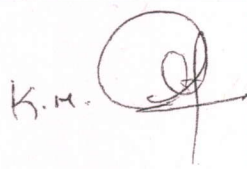

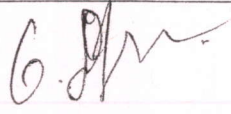

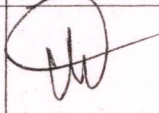

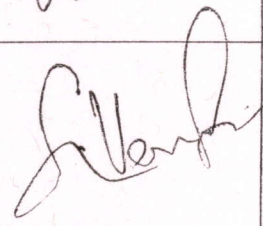

Chairman - BoS
