## DEPARTMENT OF CIVIL ENGINEERING

Academic Year 2022-2023

**Significance of Innovations in Teachings** 

## Statement of Clear goals, Use of appropriate methods, Significance of results, Effective presentation and Reflective critique:

Sl. No.	Innovative methods adopted and subject (Necessity for the course and Level of the students)	Statement of Clear goals	Significance of Results	POs/PSOs addressed	Effective presentation	Reflective Critique (Reviewed in DAAC meetings)
1	Peer Feedback / Environmental Pollution and Management (VI II Sem)	Students learned about the present status of pollution in India.	Students learnt essential know how and skills on the subjects by providing and receiving constructive feedback with an open mind and proper manners. Once the feedback is received, the students have to respond to it by explaining.	PO3, PO4, PO6, PO7, PO11, PSO3	Palakarai, Tamil Nadu, India Erode Sengunthar Engineering College, Palakarai, Tamil Nadu 63605; India Latt 11.314383* Long 77.551007* 27/61/23 69:32 PM	DAAC Members enquired about the way in which this innovative method is adopted and gave comments to implement and improve it.

PERUNDURAI -638 057, TAMILNADU, INDIA.

Students had clarity of

estimation by

visualizing in

experimental learning

centre activity.

Improvement in results

noticed beside quality

improvement in the

students

Instead of giving a lecture, the lesson is started by asking

questions, presenting a

problem or current

case study or a

scenario. As the

faculty member serve

as a facilitator, the

student will research in

that topic either independently or a group.

Students are posted with videos and

materials in the

students Whatsapp

group or Google

classroom before

actual classes.

In the actual class, the students do discuss

Students imparted

the basic field

estimate

knowledge of

materials

quantities

calculation for

kerb stone and Interlock block

In Inquiry based

learning, each

group discussed

about the various

diseases cause by

water pollution to

humans.

Students

understand the

knowledge on

materials used in

concrete mixes

**DAAC Members** 

appreciated and suggested

to post NPTEL videos.
