## MEMORANDUM OF UNDERSTANDING (MoU)

An MoU (Memorandum of Understanding) is signed between our institution and companies for the benefit of our students. MoU or Letter of Intent (LoI) is an agreement between two parties in order to achieve a common goal. The students can avail internships, do projects, and explore possibilities of profession before graduation and Industrial Training. Our Institution has signed the following MoU with industries and organisation in order to guide the students to reach a spirit of learning and sense of commitment.

### MOUs should contain the following provisions:

a listing of the parties involved;

- a purpose;
- terms and conditions;
- appropriate bilateral signatures;
- duration of the agreement; and
- Any special provisions as applicable.

### An instance for MoU's is given below,

- Arrangement of cooperation on new or existing academic programmes
- Responsible also for development of joint research activities
- Related visits to either institutions or staff discussion also for their work
- Training for doctoral student's research preparation and also development
- Tie-ups with various international universities to offer study programs that would help students and also scholars to gain international perspectives in their chosen field of study.
- We create opportunity for student and scholars also to exchange research ideas with educational legends in universities
- Cooperative seminars, workshops and also other academic meetings
