Every student has different mindset. So give more encouragement for the introvert students

Good teaching

As per the teaching all are good... But my personal suggestion is that from morning till evening we have classes we need some breaks in between morning sections... We have afternoon breaks but we just need some break in morning hours..that will make our mind refresh... Thank you

The staff wanna understand the mentality of students and wants to encourage the students

Everything is Good

Every thing is good

Every think is good

Need to tech ina way that all the students not get bored by interacting with them

Everything is good in teaching

The way of teaching is good easy to understand

Teaching is good ..teach more in detail with real life examples and can make fun in the class to attract students for better understanding

No

Want to dictate slowly,want to write in big letter in the board

Totally satisfied but not so with time management , should complete the syllabus early and give time to study.

should complete the syllabus early and give time for studying

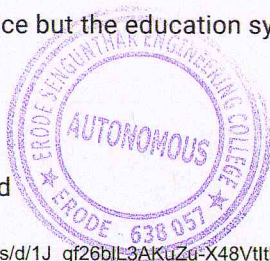

Dictate slow

Everything is ok

Teaching nice but the education system is old

It is better
