“ROBUST AND SECURE QR CODE WATERMARKING USING DISCRETE
WAVELET TRANSFORM AND ITS QUALITY MEASURE ASSESSMENT”

Dear Author,

Congratulations! The manuscript listed above has been approved for **Publication in IJAIR Volume 6 Issue 02 (March 2017)**, after having completed peer-review and editorial consideration. Once the article is published, it will be freely accessible for unlimited download to all readers without subscription or other costs. Your paper has been accepted, however, during production and publication of paper, your paper will be checked for plagiarism using professional tools. If at any time, your paper is found of having illegal content; your paper will be removed immediately.

For further process, you need to submit one copy of duly filled copyright form (attached herewith this mail) with online maintenance fee to IJAIR (send scanned copy of payslip) and final formatted paper according to the attached IJAIR format.

Please send all the required documents to editor.ijair@gmail.com

Again, congratulations on publication of this important research contribution. We hope to have the opportunity to consider additional manuscripts from your side going forward.

Thank you for submitting a paper to IJAIR and congratulations on its acceptance.

IJAIR Journal is indexed in Google, Scribd, Advance research library, I2OR.

Please communicate to us for any further queries.

Regards,

Sanjeev Sharma
