ABOUT THE COLLEGE

Erode Sengunthar Engineering College is accredited by National Board of Accreditation (NBA), approved by AICTE and Permanently affiliated to Anna University. It imparts technical education of high calibre to meet the growing needs of Engineers and Entrepreneurs. The College offers courses of study that are on the frontiers of knowledge and it connects the spiritual and practical dimensions of intellectual life, in a stimulating environment that fosters rigorous scholarship and supportive community. The college has completed 29 years of dedicated service to the people of India and abroad in the field of Technical Education.

INSTITUTE VISION

Vision of Erode Sengunthar Engineering College is to become a World Class Technical Institution and Scientific Research Centre for the Benefit of the Society.

INSTITUTE MISSION

Erode Sengunthar Engineering College will strive continuously to

- Create Positive difference to Society through Innovative Teaching – Learning Process.
- Impart Value Based Technical Education to the Students from across various Socio Economic backgrounds.
- Build State of art infrastructure for high quality Research and Development capabilities on par with the finest in the Globe and widen student's horizons beyond Class Room.
- Bring out Competent, Ethically Strong and Quality Professionals.

QUALITY POLICY

Erode Sengunthar Engineering College is committed to impart World Class Technical Know-How to the Students from diverse Socio Economic backgrounds and to transform their lives by nurturing Multi-Skills and facilitating them to develop holistically

ACADEMIC YEAR 2023 – 2024

BIOMEDICAL ENGINEERING MAGAZINE - 24

ACADEMIC YEAR - 2023 - 2024

VISION OF THE DEPARTMENT

TO PROVIDE TECHNICAL EDUCATION AND ESTABLISH A LEADING PLATFORM IN THE FIELD OF BIOMEDICAL ENGINEERING, DRIVEN BY STUDENT EXCELLENCE, INNOVATIVE PROGRAMS, IMPACTFUL RESEARCH AND INDUSTRY-ORIENTED TEACHING AND TRAINING, ENSURING QUALITY HEALTHCARE DELIVERY AND EDUCATION THERE BY CONTRIBUTING TO THE PROSPERITY OF THE NATION.

MISSION OF THE DEPARTMENT

- To catalyze interactions between biologists, physical scientists and engineers to benefit medicine and human health.
- To impart students with skills for research, design and development of biomedical devices and allied integrated systems for betterment of human society.
- To achieve academic distinction in applying engineering principles, science and medicine methods to confront health science challenges and research.
- To enable students to be sensitive to the ethical issues pertinent to the biomedical engineering profession.

PROGRAM EDUCATIONAL OBJECTIVES

Preparation: To apply and acquire quantitative, qualitative, analytic and critical thinking skills to solve engineering problems for successful career.

Core Competence and Professionalism: To instill contemporary knowledge, professional excellence and competencies in biomedical engineering and its diverse specializations along with related fields.

Breadth: To provide multidisciplinary knowledge with management principles to identify and create professional opportunities in the field of biomedical research and innovation.

Learning Environment: To prepare graduates to work effectively as individuals and as team members in multidisciplinary projects through lifelong learning by upholding ethical standards to meet professional and societal needs.

PROGRAM SPECIFIC OUTCOMES

Healthcare Integration: Apply interdisciplinary skills to integrate advanced technologies in medical imaging, signal processing and biosensors for effective diagnosis, monitoring and treatment.

Biomedical Innovation: Design and develop biomedical devices that resolves the current societal healthcare problems by applying the concepts of Life sciences, Engineering and Technology.

Innovations through ICT: To adapt to emerging information and communication technologies (ICT) to innovate ideas and solutions for current societal and scientific issues thereby developing indigenous medical instruments that are on par with the existing technology.

CORRESPONDENT MESSAGE

“Learning gives creativity, creativity leads to thinking, thinking provides knowledge, knowledge makes you great.” – Dr. A.P.J. Abdul Kalam

Erode Sengunthar Engineering College is a modern institution that offers quality education and encourages students and staff to showcase their talents.

I'm happy that the BME department is releasing Medwings 2k24. A magazine highlights hidden talents and achievements within the department.

At ESEC, students gain confidence and knowledge to succeed. Fly in the plane of ambition, land at the airport of success. Good luck!

PRINCIPAL MESSAGE

I am happy to learn that the Department of BME is bringing out its magazine Medwings.

Glad to share a few words for this initiative that nurtures technical writing skills. Our students and faculty have excelled in academics and research. The college encourages innovation and active research participation. Faculty plays a key role in the department's growth. I congratulate the team and wish them continued success.

HOD MESSAGE

I am happy to welcome you to this edition of Medwings, a Magazine that shows the creativity, hard work, and achievements of our Biomedical Engineering students and faculty.

This magazine shares new ideas, technical skills, and teamwork that reflect the spirit of learning and innovation. As the field of Biomedical Engineering grows, Medwings gives us a glimpse of the exciting progress being made.

I encourage you to read, enjoy, and get inspired by the efforts shared in these pages.

EDITORS DESK

CHIEF EDITOR

It is a pleasure to see our department's talents reflected through this magazine. It highlights the achievements, creativity, and teamwork of our students and staff. I appreciate the Editorial Team for their efforts and wish everyone continued success.

Dr. G. S. SATHEESH KUMAR,
Head & Associate Professor

Department of Biomedical Engineering

EDITOR MESSAGE

I am happy to share the latest edition of the Biomedical Engineering Department Magazine. This magazine shows the hard work, creativity, and ideas of our students and faculty. It highlights the talent and teamwork that make our department special.

I thank our management, Head of the Department, faculty, and students for their support in bringing this magazine to life. We hope this edition encourages everyone to keep learning, exploring, and growing in the field of Biomedical Engineering.

Mr. K. BALASUBRAMANIAN
AP / BME

STUDENT EDITOR'S

We are happy to present this edition of the Biomedical Department Magazine, which highlights the talents and efforts of our students and faculty. Each page reflects the spirit and teamwork of our department. Thanks to Our management, Principal, HoD, faculty and students for their support. We hope this magazine inspires and encourages continued excellence and innovation.
