INSTITUTE VISION

Vision of Erode Sengunthar Engineering College is to become a World Class Technical Institution and Scientific Research Centre for the Benefit of the Society.

INSTITUTE MISSION

Erode Sengunthar Engineering College will strive continuously to

- **Create Positive difference to Society through Innovative Teaching - Learning Process.**
- **Impart Value Based Technical Education to the Students from across various Socio Economic backgrounds.**
- **Build State of art infrastructure for high quality Research and Development capabilities on par with the finest in the Globe and widen student's horizons beyond Class Room.**
- **Bring out Competent, Ethically Strong and Quality Professionals.**

QUALITY POLICY

Erode Sengunthar Engineering College is committed to impart World Class Technical Know-How to the Students from diverse Socio Economic backgrounds and to transform their lives by nurturing Multi-Skills and facilitating them to develop holistically

BIOMEDICAL ENGINEERING

JANUARY - JUNE 2025

PROGRAM EDUCATIONAL OBJECTIVES

PEO I. PREPARATION: TO APPLY AND ACQUIRE QUANTITATIVE, QUALITATIVE, ANALYTIC AND CRITICAL THINKING SKILLS TO SOLVE ENGINEERING PROBLEMS FOR SUCCESSFUL CAREER.

PEO II. CORE COMPETENCE AND PROFESSIONALISM: TO INSTILL CONTEMPORARY KNOWLEDGE, PROFESSIONAL EXCELLENCE AND COMPETENCIES IN BIOMEDICAL ENGINEERING AND ITS DIVERSE SPECIALIZATIONS ALONG WITH RELATED FIELDS.

PEO III. BREADTH: TO PROVIDE MULTIDISCIPLINARY KNOWLEDGE WITH MANAGEMENT PRINCIPLES TO IDENTIFY AND CREATE PROFESSIONAL OPPORTUNITIES IN THE FIELD OF BIOMEDICAL RESEARCH AND INNOVATION.

PEO IV. LEARNING ENVIRONMENT: TO PREPARE GRADUATES TO WORK EFFECTIVELY AS INDIVIDUALS AND AS TEAM MEMBERS IN MULTIDISCIPLINARY PROJECTS THROUGH LIFELONG LEARNING BY UPHOLDING ETHICAL STANDARDS TO MEET PROFESSIONAL AND SOCIETAL NEEDS.

DEPARTMENT VISION

To provide technical education and establish a leading platform in the field of Biomedical Engineering, driven by student excellence, innovative programs, impactful research and industry-oriented teaching and training, ensuring quality healthcare delivery and education there by contributing to the prosperity of the nation.

DEPARTMENT MISSION

DM1: To catalyze interactions between biologists, physical scientists and engineers to benefit medicine and human health.

DM2: To impart students with skills for research, design and development of biomedical devices and allied integrated systems for betterment of human society.

DM3: To achieve academic distinction in applying engineering principles, science and medicine methods to confront health science challenges and research.

DM4: To enable students to be sensitive to the ethical issues pertinent to the biomedical engineering profession.

PROGRAM SPECIFIC OUTCOMES

Healthcare Integration: Apply interdisciplinary skills to integrate advanced technologies in medical imaging, signal processing and biosensors for effective diagnosis, monitoring and treatment.

Biomedical Innovation: Design and develop biomedical devices that resolves the current societal healthcare problems by applying the concepts of Life sciences, Engineering and Technology.

Innovations through ICT: To adapt to emerging information and communication technologies (ICT) to innovate ideas and solutions for current societal and scientific issues thereby developing indigenous medical instruments that are on par with the existing technology.

Theivathiru. J. SUDHANANDHEN B.Sc.,
Founder

Erode Sengunthar Educational Trust started Erode Sengunthar Engineering College in the year 1996 with a vision of the Founder Correspondent Theivathiru. J. Sudhanandhen, to provide world class technical education for the upliftment of urban and rural youth. With his blessings and his ardent desire the college has gone from strength to strength as ESEC has achieved Excellence in getting the Autonomous status. The College strives to reach out the star of perfection through an earnest academic pursuit for excellence, and its efforts blossom into service through creative and empathetic involvement in the society to transform it.

Greetings!

We at ESEC believe in Dedication, Determination, Discipline & Efforts. Our students are groomed keeping in mind the current needs & challenges of the Corporate work environment. Our students are nurtured with the culture of innovation to improve efficiency and have proved to be one of the most valuable assets for their firms. We cannot always build the future for our youth, but we can build our youth for the future. "Best Wishes!"

Thiru. V. ANNADURAI

President, Erode Sengunthar Educational Trust

With the vision of providing Engineering education of worldwide standards to rural youth, this institution was started in the year 1996 by the benevolent philanthropists of Erode Sengunthar Educational Trust. The great humanitarian Theivathiru. J. Sudhanandhen was the founder Correspondent of this portal of knowledge.

We shape the destiny of our students, by equipping them with critical thinking to be self-motivated personalities and also we fine-tune them as responsible citizens.

Thiru. G. KAMALAMURUGAN

Correspondent, Erode Sengunthar Engineering College

We, the management of ESEC, strongly believe in Swami Vivekananda's words on education, "Educate and raise the masses, and thus alone a nation is possible". We also believe, 'Service to the society is service to God'.

Hence ESEC looks beyond academics in generating not merely 'Educated and Employable Youth' to face the future challenges in the technological era, but ensures the innate goodness and humane nature in the young technocrats.

Thiru. S. N. THANGARAJU

Secretary, Erode Sengunthar Educational Trust

We at ESEC focus on Engineering education to keep pace with mighty changes and challenges occurring today in this technological era.

Apart from academics, we encourage and ensure the development of our students in extra-curricular and co-curricular activities to shape them as complete personalities. We endeavor to equip our graduates with global technical knowledge, at the same time, honing their soft skills so that they can best excel in their career. Also, we motivate and facilitate our students for attaining leadership qualities.

Dr. V. VENKATACHALAM

Principal, Erode Sengunthar Engineering College

In ESEC, we seek to develop and nurture the different facets of a student from Co-curricular to extra-curricular activities. We focus on developing both the mental and physical abilities of students. The activities provide holistic grooming of the students where in the students are able to explore their true potential.

Thiru. S. SENTHILKUMAR

Treasurer, Erode Sengunthar Educational Trust

The motto of ESEC is to pursue academic excellence and motivate and empower its students to be lifelong learners, critical thinkers and productive members of an ever-changing global society. I believe our students can change the society by empowering themselves holistically at ESEC.

Thiru. A.P.V. SWAMINATHAN

Vice President, Erode Sengunthar Educational Trust

The students of ESEC are offered many opportunities to explore their interests and innovate new ideas. We facilitate our students to expose their knowledge, skills through various clubs associations and sports activities that allow them the opportunity to grow on their own in a safe and nurturing environment.

Thiru. P. C. BALUSAMY

Vice President, Erode Sengunthar Educational Trust

As we embark into the celebration of Silver Jubilee, a milestone of academic excellence and extra-curricular performance which have enlarged and enriched ESEC. Our coordination and cooperation provide a safe and intellectually challenging environment that will empower students to become innovative thinkers, creative problem solvers and inspired learners prepared to thrive in 21st century.

Thiru. V. Dharmalingam

Joint Secretary, Erode Sengunthar Educational Trust

Empowerment of students for their all round development through education is our cherished motto. Today education means much more than merely acquiring knowledge. It is acquisition of knowledge and skills, building character and improving employability of our young talent and leadership quality. I am sure; we inherited a strong foundation to march ahead and to achieve our vision and mission.

Dr. S. POORANI

Joint Secretary, Erode Sengunthar Educational Trust

HOD MESSAGE

It is my pleasure to welcome you to this edition of our magazine, which reflects the creativity, dedication, and accomplishments of the Biomedical Engineering (BME) community. This publication serves as a platform to showcase innovative ideas, technical expertise, and the collaborative spirit demonstrated by our students and faculty.

Biomedical Engineering is a dynamic and ever-evolving field one that demands curiosity, perseverance, and a commitment to continuous learning. In this edition, we aim to highlight the advancements and contributions that are shaping the future of healthcare technology.

I invite you to explore this edition, engage with the insights shared, and join us on this inspiring journey of innovation and excellence.

The Head of the BME Department is proud to present this magazine, which showcases our recent activities such as seminars, workshops, publications, student projects, and collaborations.

These efforts reflect our ongoing commitment to excellence and meaningful impact. We also take this opportunity to thank our alumni and industry partners for their continued support and involvement, which greatly enrich our journey.

BIOMEDICAL ENGINEERING

CHIEF EDITOR

I am very happy to present the latest edition of Medwings, the annual magazine of the Department of Biomedical Engineering, Erode Sengunthar Engineering College.

This magazine reflects the creativity, hard work, and spirit of our students and faculty. It showcases not only academic talents but also new ideas, achievements, and the lively energy of our BME community. Every article and feature here is the result of dedication and teamwork. I sincerely thank all the contributors, the editorial team, and our students for their efforts. May Medwings keep flying high and continue to support young talents and fresh ideas.

Dr.B.SARITHA

Head of the Department

Biomedical Engineering

EDITORS MESSAGE

We are happy to present this year's edition of Medwings, an initiative by the Department of Biomedical Engineering. This magazine brings together student achievements, academic highlights, innovative ideas, and creative expressions, reflecting the vibrant spirit of our department.

We thank all contributors for their valuable inputs and extend special appreciation to our student editors for their dedicated efforts. We hope this edition inspires readers and encourages new perspectives in both academic and creative pursuits.

Mr.K.BALASUBRAMANIAN

STUDENT EDITOR'S

Being part of the Medwings editorial team has been a great experience for us. As student editors, we got the chance to collect and present the talents of our friends—from academic work to creative ideas. We learned a lot and enjoyed working on this magazine.

This edition shows the passion and spirit of our Biomedical Engineering department. We hope readers find it interesting and inspiring. We thank our teachers and the BME family for their support. Let Medwings continue to grow every year.
