NEWSLETTER

JULY - DEC 2024

INSTITUTE VISION

Vision of Erode Sengunthar Engineering College is to become a World Class Technical Institution and Scientific Research Centre for the Benefit of the Society.

INSTITUTE MISSION

Erode Sengunthar Engineering College will strive continuously to

- Create Positive difference to Society through Innovative Teaching – Learning Process.
- Impart Value Based Technical Education to the Students from across various Socio Economic backgrounds.
- Build State of art infrastructure for high quality Research and Development capabilities on par with the finest in the Globe and widen student's horizons beyond Class Room.
- Bring out Competent, Ethically Strong and Quality Professionals.

QUALITY POLICY

Erode Sengunthar Engineering College is committed to impart World Class Technical Know-How to the Students from diverse Socio Economic backgrounds and to transform their lives by nurturing Multi-Skills and facilitating them to develop holistically.

NEWS LETTER

BIOMEDICAL ENGINEERING

JULY - DEC 2024

DEPARTMENT VISION

To provide technical education and establish a leading platform in the field of Biomedical Engineering, driven by student excellence, innovative programs, impactful research and industry-oriented teaching and training, ensuring quality healthcare delivery and education there by contributing to the prosperity of the nation.

DEPARTMENT MISSION

DM1: To catalyze interactions between biologists, physical scientists and engineers to benefit medicine and human health.

DM2: To impart students with skills for research, design and development of biomedical devices and allied integrated systems for betterment of human society.

DM3: To achieve academic distinction in applying engineering principles, science and medicine methods to confront health science challenges and research.

DM4: To enable students to be sensitive to the ethical issues pertinent to the biomedical engineering profession.

PROGRAM EDUCATIONAL OBJECTIVES

PEO I. PREPARATION: TO APPLY AND ACQUIRE QUANTITATIVE, QUALITATIVE, ANALYTIC AND CRITICAL THINKING SKILLS TO SOLVE ENGINEERING PROBLEMS FOR SUCCESSFUL CAREER.

PEO II. CORE COMPETENCE AND PROFESSIONALISM: TO INSTILL CONTEMPORARY KNOWLEDGE, PROFESSIONAL EXCELLENCE AND COMPETENCIES IN BIOMEDICAL ENGINEERING AND ITS DIVERSE SPECIALIZATIONS ALONG WITH RELATED FIELDS.

PEO III. BREADTH: TO PROVIDE MULTIDISCIPLINARY KNOWLEDGE WITH MANAGEMENT PRINCIPLES TO IDENTIFY AND CREATE PROFESSIONAL OPPORTUNITIES IN THE FIELD OF BIOMEDICAL RESEARCH AND INNOVATION.

PEO IV. LEARNING ENVIRONMENT: TO PREPARE GRADUATES TO WORK EFFECTIVELY AS INDIVIDUALS AND AS TEAM MEMBERS IN MULTIDISCIPLINARY PROJECTS THROUGH LIFELONG LEARNING BY UPHOLDING ETHICAL STANDARDS TO MEET PROFESSIONAL AND SOCIETAL NEEDS.

PROGRAM SPECIFIC OUTCOMES

Healthcare Integration: Apply interdisciplinary skills to integrate advanced technologies in medical imaging, signal processing and biosensors for effective diagnosis, monitoring and treatment.

Biomedical Innovation: Design and develop biomedical devices that resolves the current societal healthcare problems by applying the concepts of Life sciences, Engineering and Technology.

Innovations through ICT: To adapt to emerging information and communication technologies (ICT) to innovate ideas and solutions for current societal and scientific issues thereby developing indigenous medical instruments that are on par with the existing technology.

Correspondent Message

The newsletter which is being rolled out today marks the launch of an effervescent activity that would enable the Management to bring out to the eyes of the competitive world, the academic achievements of our prestigious institution. Erode Sengunthar Engineering College has grown in leaps and bounds, hurtling across barriers along the way. This has been made possible with the collaborative effort of the Management, the Staff and the Students. I congratulate everyone for their commitment.

Principal Message

It is my pleasure to congratulate the editorial board on this pleasant occasion of releasing the newsletter. It is great to find a considerable number of winners and participants in co-curricular and extracurricular activities which certainly prove that our staff and students are adequately equipped and possess necessary quality skill-sets to bring such laurels to the institution. I wish that this number may grow in the years to come. I am sure that publishing a newsletter of this sort containing the achievements of the ESEC family will be a recognition to them. I wish them all the very best for future endeavors.

HOD MESSAGE

It gives me immense pleasure to note that the Newsletter of ESEC is being released. Kudos to the editorial team. When we have a glance at the Newsletter, it is heartening to see that training *the head and the heart* of staff and students had quietly happened over the past one year. The staff and students will get more recognition when the awards/achievements they won are publicized through the Newsletter. It would definitely be an inspiration and motivation for other students and staff to scale newer heights.

Chief Editor

Greetings and welcome to the maiden issue of the ESEC Newsletter! A newsletter inspires and motivates students and staff alike, for it reminds them of the zeal that they had once to do something extraordinary. We were overwhelmed by the response that we received from the coordinators, heads of departments and faculty members of ESEC in making this newsletter possible. In this newsletter, we have reported significant achievements of the Departments, Staff and Students. Campus news and events, and the placement scenario have also been emphasized. I am glad to acknowledge the kind support that I received directly and indirectly, to bring out the newsletter on time.

K.Balasubramanian

BIOMEDICAL ENGINEERING

CHIEF EDITOR

I am very happy to present the latest edition of Medwings, the annual magazine of the Department of Biomedical Engineering, Erode Sengunthar Engineering College.

This magazine reflects the creativity, hard work, and spirit of our students and faculty. It showcases not only academic talents but also new ideas, achievements, and the lively energy of our BME community. Every article and feature here is the result of dedication and teamwork. I sincerely thank all the contributors, the editorial team, and our students for their efforts. May Medwings keep flying high and continue to support young talents and fresh ideas.

Dr.B.SARITHA

Head of the Department

Biomedical Engineering

EDITORS MESSAGE

We are happy to present this year's edition of Medwings, an initiative by the Department of Biomedical Engineering. This magazine brings together student achievements, academic highlights, innovative ideas, and creative expressions, reflecting the vibrant spirit of our department.

We thank all contributors for their valuable inputs and extend special appreciation to our student editors for their dedicated efforts. We hope this edition inspires readers and encourages new perspectives in both academic and creative pursuits.

Mr.K.BALASUBRAMANIAN

AP / BME

Mrs.M.DHIVYA

STUDENT EDITOR'S

Being part of the Medwings editorial team has been a great experience for us. As student editors, we got the chance to collect and present the talents of our friends—from academic work to creative ideas. We learned a lot and enjoyed working on this magazine.

This edition shows the passion and spirit of our Biomedical Engineering department. We hope readers find it interesting and inspiring. We thank our teachers and the BME family for their support. Let Medwings continue to grow every year.
