

**2022 – 2023**

**PAPER PRESENTATION IN NATIONAL AND INTERNATIONAL CONFERENCES**

- Dr. M. Thangavel, Professor, Department of Computer Applications has attended a Faculty Development Program on “Scope of Quality Research for Funded Projects and High Impact Publications” in KCG College of Technology, Chennai, Tamil Nadu from 24.02.2023 to 28.02.2023.
- Dr. M. Thangavel, Professor, Department of Computer Applications has presented a paper “A Personalized algorithm for sleep Quality Prediction using Physiological and Environmental Sensing Data” , in International Conference on Innovation in Electrical and Information and Communication Engineering 2023, Kongunadu College of Engineering and Technology (Autonomous), Tiruchirapalli, Tamilnadu 21<sup>st</sup> and 22<sup>nd</sup> April 2023.
- Mr. P. Natarajan, Assistant Professor, Department of Computer Applications has presented a paper “Modified CNN model-based Forgery Detection applied to Multiple-Resolution Tampered Images” , in International Conference on Innovation in Electrical and Information and Communication Engineering 2023, Kongunadu College of Engineering and Technology (Autonomous), Tiruchirapalli, Tamilnadu 21<sup>st</sup> and 22<sup>nd</sup> April 2023.
- Mr. Natarajan P, Department of Master of Computer Applications (MCA) has presented a paper on “Comparative Analysis of Techniques for Efficient Resource Utilization in Cloud Environments through VM Placement Optimization”, in International Conference on Self Sustainable Artificial Intelligence systems.
- Mr. M. Balakrishnan, Assistant Professor, Department of Computer Applications has presented a paper “Evaluation of Smartphone and Smartwatch Accelerometer Data in Activity Classification” in International Conference on Innovation in Electrical and Information and Communication Engineering 2023, Kongunadu College Engineering and Technology(Autonomous), Tiruchirapalli, Tamilnadu on 21<sup>st</sup> and 22<sup>nd</sup> April 2023.

**FACULTY DEVELOPMENT PROGRAMME**

- Ms. M. Priyadharshini, Assistant Professor, Department of Computer Applications has attended a Faculty Development Programme on “Deep Learning Architectures for Computer

Vision” in Mepco Schlenk Engineering College, Sivakasi, Tamil Nadu from 12.12.2022 to 16.12.2022.

- Dr. S. Ravikumar, Associate Professor, Department of Computer Applications has attended a Faculty Development Programme (Hybrid Mode) on “Optimization Techniques and its Emerging Applications” in PSG College of Technology, Coimbatore, Tamil Nadu from 19.12.2022 to 23.12.2022.
- Mr. R. Dhandapani, Assistant Professor, Department of Computer Applications has attended a Faculty Development Programme (Hybrid Mode) on “Optimization Techniques and its Emerging Applications” in PSG College of Technology, Coimbatore, Tamil Nadu from 19.12.2022 to 23.12.2022.
- Ms. M. Priyadharshini, Assistant Professor, Department of Computer Applications has attended a Faculty Development Programme (Hybrid Mode) on “Optimization Techniques and its Emerging Applications” in PSG College of Technology, Coimbatore, Tamil Nadu from 19.12.2022 to 23.12.2022.
- Mrs. M. Hemalatha, Assistant Professor, Department of Computer Applications has attended a Faculty Development Programme (Hybrid Mode) on “Optimization Techniques and its Emerging Applications” in PSG College of Technology, Coimbatore, Tamil Nadu from 19.12.2022 to 23.12.2022.
- Mr. M. Balakrishnan, Assistant Professor, Department of Computer Applications has attended a Faculty Development Programme (Hybrid Mode) on “Optimization Techniques and its Emerging Applications” in PSG College of Technology, Coimbatore, Tamil Nadu from 19.12.2022 to 23.12.2022.
- Dr. S. Shanmugapriya, Assistant Professor, Department of Computer Applications has attended a Faculty Development Program on “Data Science and Visualization Tools” in Jai Shriram Engineering College, Tirupur, Tamil Nadu from 09.01.2023 to 13.01.2023.
- Mr. P. Natarajan, Assistant Professor, Department of Computer Applications has attended a Faculty Development Programme on “Data Science and Visualization Tools” in Jai Shriram Group of Institutions, Tirupur, Tamil Nadu from 09.01.2023 to 13.01.2023.
- Dr. S. Ravikumar, Associate Professor, Department of Computer Applications has attended a Faculty Development Programme on “Data Science and Visualization Tools” in Jai Shriram Engineering College, Tirupur, Tamil Nadu from 09.01.2023 to 13.01.2023.

- Mr. M. Balakrishnan, Assistant Professor, Department of Computer Applications has attended a Online Faculty Development Program on “Open Stack Private Cloud Setup” in Saveetha School of Engineering, Chennai, Tamil Nadu on 07.02.2023.
- Dr. S. Shanmugapriya, Assistant Professor, Department of Computer Applications has attended a Faculty Development Program on “Scope of Quality Research for Funded Projects and High Impact Publications” in KCG College of Technology, Chennai, Tamil Nadu from 24.02.2023 to 28.02.2023.
- Mr. M. Balakrishnan, Assistant Professor, Department of Computer Applications has attended a Faculty Development Program on “Scope of Quality Research for Funded Projects and High Impact Publications” in KCG College of Technology, Chennai, Tamil Nadu from 24.02.2023 to 28.02.2023.

### **WORKSHOP**

- Ms. P. Deepalakshmi, Assistant Professor, Department of Computer Applications has attended a Workshop on “Linux Architecture and Commands “ in Ramco Institute of Technology, Rajapalayam, Tamilnadu from 15.12.2022 to 19.12.2022.

### **WEBINAR**

- Ms. P. Deepalakshmi, Assistant Professor, Department of Computer Applications has attended a Webinar on “Quality Education: A Sustainable Development Perspective” in Vellore Institute of Technology, Vellore, Tamilnadu on 22.02.2023.
- Mr. M. Balakrishnan, Assistant Professor, Department of Computer Applications has attended a Webinar on : Quality Education: A Sustainable Development Perspective” in Vellore Institute of Technology, Vellore, Tamilnadu on 22.02.2023.
- Mrs. M. Hemalatha, Assistant Professor, Department of Computer Applications has attended a Webinar on : Quality Education: A Sustainable Development Perspective” in Vellore Institute of Technology, Vellore, Tamilnadu on 22.02.2023.

**FACULTY ACTED AS RESOURCE PERSON**

- Mr. P. Natarajan, Assistant Professor of Master of Computer Applications (MCA) has acted as a resource person and delivered a Lecture on “Python Programming” organized by Gobi arts and Science College, Gobichettipalayam on 15.02.2023.

**FACULTY ACTED AS A JOURNAL REVIEWER**

- Dr. M. Thangavel, Professor of Master of Computer Applications(MCA) acted as a reviewer of Journal of Multidimensional Research & Review (ISSN No: 27089452).
