NATIONAL SERVICE SCHEME EVENT - 26

Name of the Event : **Deworming Awareness Drive**
Date : 09.02.2024
No. of Beneficiaries : 55
Venue : College Campus
Description :

- On February 9, 2024, the Deworming Awareness Drive was conducted at the College Campus, with 55 beneficiaries participating. The drive aimed to educate students and staff about the importance of regular deworming for maintaining good health and preventing parasitic infections.
- Health experts conducted informative sessions on the causes, symptoms, and preventive measures related to worm infections, stressing the importance of proper hygiene, sanitation, and regular deworming. Participants were encouraged to take necessary actions to protect their health and to spread awareness within their communities.
- The event successfully raised awareness about this often-overlooked health issue and equipped participants with the knowledge to maintain better health practices, ensuring a healthier and more informed campus community.

NATIONAL SERVICE SCHEME EVENT - 27

Name of the Event : **Blood Donation Camp**
Date : 11.03.2024
No. of Beneficiaries : 160
Venue : College Campus
Description :

- On March 11, 2024, a Blood Donation Camp was held at the College Campus, with 160 beneficiaries participating in this noble initiative. The camp aimed to encourage voluntary blood donation and raise awareness about the critical need for blood in medical emergencies.
- Organized in collaboration with local blood banks, the event provided a safe and hygienic environment for students and faculty to donate blood. Medical professionals and volunteers ensured that the process was efficient, and participants received proper guidance on the benefits of regular blood donation.
- This impactful event not only contributed to saving lives but also inspired a sense of community service among the participants, highlighting the importance of contributing to the well-being of others through simple, life-saving actions.

NATIONAL SERVICE SCHEME EVENT - 28

Name of the Event : **Voter awareness programme**
Date : 15.03.2024
No. of Beneficiaries : 65
Venue : College Campus
Description :

- On March 15, 2024, a Voter Awareness Programme was conducted at the College Campus, with 65 beneficiaries participating. The event aimed to educate students and faculty about the importance of voting, their rights as citizens, and the responsibilities that come with participating in the democratic process.
- The program featured informative sessions on the significance of voting, the voter registration process, and how to ensure a fair and transparent election. The event also included discussions about the power of voting in shaping the future of the country and the role each individual plays in strengthening democracy.
- This initiative helped raise awareness among the campus community, empowering them with the knowledge to make informed decisions and actively engage in the electoral process, ensuring their voices are heard in the nation's democratic framework.

NATIONAL SERVICE SCHEME EVENT - 30

Name of the Event : **Feeding water to birds in college campus**
Date : 05.04.2024
No. of Beneficiaries : 20
Venue : College Campus
Description :

- On April 5, 2024, an initiative to Feed Water to Birds was held at the College Campus, with 20 beneficiaries participating. The event aimed to promote environmental awareness and encourage students and staff to contribute to the well-being of local wildlife, especially during the hot months.
- Participants set up water stations around the campus, ensuring that birds had access to fresh water, helping them stay hydrated and survive the harsh summer conditions. The event also raised awareness about the importance of wildlife conservation and the role each individual can play in protecting animals and birds in urban areas.
- This simple yet impactful event highlighted the significance of small acts of kindness toward nature, fostering a deeper sense of responsibility and connection to the environment among the college community.

NATIONAL SERVICE SCHEME EVENT - 31

Name of the Event : **Awareness about Food Wastage**

Date : 05.04.2024

No. of Beneficiaries : 25

Venue : College Campus

Description :

- On April 5, 2024, an Awareness about Food Wastage event was conducted at the College Campus, benefiting 25 individuals. The event aimed to educate students and staff about the environmental, social, and economic impacts of food wastage and encourage responsible consumption.
- During the event, participants engaged in discussions and activities that highlighted the importance of minimizing food waste, including tips on portion control, food storage, and using leftovers creatively. Experts shared insights into the global food crisis, emphasizing how reducing food waste can help address hunger and contribute to sustainability.
- The event successfully raised awareness about the importance of being mindful of food resources, inspiring the campus community to adopt practices that reduce waste and promote a more sustainable approach to food consumption.

NATIONAL SERVICE SCHEME EVENT - 32

Name of the Event : **Voter Awareness Rally**

Date : 10.04.2024

No. of Beneficiaries : 1200

Venue : Thudupathi

Description :

- On April 10, 2024, a Voter Awareness Rally was held in Thudupathi, with 1200 beneficiaries participating. The rally aimed to raise awareness about the importance of voting and to encourage eligible citizens, especially first-time voters, to exercise their democratic rights.
- Participants marched through the streets of Thudupathi, carrying banners, placards, and slogans promoting voter registration, awareness about the electoral process, and the significance of voting in shaping the future of the country. The rally included speeches and educational sessions on the importance of informed voting and how to ensure a fair and transparent election.
- This event helped energize the community, inspiring individuals to register as voters and actively engage in the democratic process, fostering a sense of civic responsibility and empowerment in the region.
