SPACE CLUB

ACADEMIC YEAR 2024-25

CIRCULAR

24.11.2024

All the members of the Space Club are hereby informed that the action plan meeting will be conducted as per the details given below:

The purpose of meeting is to discuss the action plan for the odd semester 2024-25. All members are requested to attend punctually and actively participate by sharing innovative ideas and suggestions for upcoming club activities.

Date: 26.11.2024

Time: 12.30pm TO 03.30pm

Venue: Seminar Hall /S&H

AGENDA

1. Welcome Address: Delivered by Faculty Coordinator.
2. Introduction: New members were introduced and briefed about the club's objectives.
3. Review: Previous year's activities: quiz, exhibition, sky watching, were reviewed positively.
4. Discussion: Proposed new activities on space awareness, astronomy observation, and leadership development.
5. Action Plan: Event schedule and member responsibilities discussed and finalized.
6. Vote of Thanks: Presented by the student representative.

Space Club

Minutes of the Meeting

1. Welcome Address :

The meeting commenced with a warm welcome by the Faculty Coordinator, who greeted all members and encouraged innovative ideas for the semester's programs.

2. Introduction of New Members :

New members were introduced to the Space Club and expressed their interest in astronomy and space exploration. The coordinator urged them to participate actively in all upcoming initiatives.

3. Review of Previous Year's Activities :

The Faculty Coordinator gave a brief review of the previous year's successful activities, including the Astronomy Quiz, Sky Observation Session, and Space Talk Series.

4. Discussion on Proposed Activities for the Current Semester :

The following events and initiatives were discussed and approved:

- Motivational Program:

Planning for an Astronomy Observation Night on 16 November 2024 at the school grounds. Members discussed telescope setup, safety measures, and event logistics.

- Community Outreach Activity:

The club decided to organize a Space Awareness Program at a nearby school to educate students about astronomy, satellites, and career opportunities in space science.

- International Astronomy Week:

, featuring a poster-making competition, model exhibition, and space documentary screening to promote astronomical knowledge among students.

- **The Parade of Planets Program:**

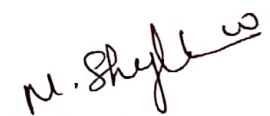

A new initiative, the Space Science and Technology Program, will be introduced to enhance students' understanding of advancements in modern space research and innovation. The program will include expert lectures, model presentations, and interactive sessions on topics such as **satellite technology, space exploration missions, and recent scientific developments** in the field of astronomy and astrophysics. Detailed planning and task allocation for the program will be finalized in the upcoming meeting, with members encouraged to participate actively in event coordination and content preparation.

5. Vote of Thanks

The meeting concluded with a Vote of Thanks by the Student Representative, appreciating the Faculty Coordinator and members for their contributions and enthusiasm.
