## 26th Graduation Day – Erode Sengunthar Engineering College

Erode Sengunthar Engineering College proudly celebrated its 26th Graduation Day on 08 May 2026 at the ESEC Convention Center with great enthusiasm and academic pride. The event marked a memorable milestone for the graduating students as they received their degree certificates and medals in the presence of dignitaries, faculty members, parents, and well-wishers.

The ceremony was graced by **Mr. Sathya Prakash Sekaran, Director – HR, Ziffity Solutions, Chennai**, who delivered the Graduation Day Address. In his inspiring speech, he encouraged the graduates to embrace innovation, continuous learning, and professional excellence while contributing positively to society.

The management, principal, faculty, and staff congratulated the graduating students for their achievements and wished them success in all their future endeavors. The occasion was filled with joy, pride, and celebration as students stepped into the next phase of their careers with confidence and determination

## I Year CSD Students Visit Bharathiar Santhi Illam Orphanage

The I Year CSD students visited Bharathiar Santhi Illam and contributed money along with essential items for the elderly residents. The visit reflected the students' kindness, empathy, and strong sense of social responsibility.

The activity was both meaningful and impactful, providing emotional support and care to the inmates while also helping students develop humanitarian values and compassion towards society. The students actively interacted with the elderly and shared memorable moments with them, making the visit a heartwarming experience for everyone involved.

## Workshop on “Embedded Systems with Tinkercad and NodeMCU” Successfully Conducted

The Department of Science and Humanities (Chemistry) successfully organized a workshop on “Embedded Systems with Tinkercad and NodeMCU” on 4th May 2026 at the Research and Product Development Laboratory.

The workshop aimed to provide first-year students with practical exposure to embedded systems and simulation tools. A total of 60 RAE first-year students actively participated and made the best use of this learning opportunity.

The session offered hands-on experience with Tinkercad simulations and real-time applications using NodeMCU, enhancing students’ technical skills and interest in emerging technologies.

## ANRF Sponsored Five-Day National Level Workshop Successfully Conducted at ESEC

The Department of Computer Science and Engineering at Erode Sengunthar Engineering College (ESEC) successfully organized an ANRF Sponsored Five-Day National Level Workshop on “Dynamic Semantic Perception: Photonic Spiking Neural Networks for Multi-Agent 6G V2X Orchestration in Medical IoT via Surgeons (H-MR) Intelligence” from 04 May 2026 to 08 May 2026 at the IoT Incubation Centre.

The workshop aimed to provide participants with advanced knowledge and practical exposure in emerging technologies such as **Artificial Intelligence, Photonic Spiking Neural Networks, Medical IoT, Multi-Agent Systems, and 6G V2X communication.** The event created an excellent platform for academicians, researchers, and students to explore recent innovations and interdisciplinary research opportunities in intelligent healthcare systems.

The sessions were delivered by distinguished experts from reputed institutions:

**Dr. N. Shanthy**, Senior Professor, Kongu Engineering College, Erode

**Dr. V. Sudha**, AP/ECE, Sona College of Technology, Salem

**Krishna Prakash R**, AP/IT, Sona College of Technology, Salem

**Dr. S. Vaishnavi**, AP (Selection Grade)/CSE, PSG Institute of Technology and Applied Research, Coimbatore

**Dr. B. Saritha**, ASP & HoD/BME, Erode Sengunthar Engineering College, Erode

**Dr. Naveenkumar Natesan**, Professor/CCE, Nehru Institute of Technology, Coimbatore

**Dr. M. Ponni Bala**, Professor/BME, Velalar College of Engineering and Technology, Erode

## ANRF Workshop Grant Achievement

The Department of Electronics and Communication Engineering is proud to announce that **Dr. S. Bharathidasan**, Head of the Department (HoD/ECE), and **Ms. G. Amsaveni**, Assistant Professor (AP/ECE) have successfully received a workshop grant of ₹2,00,000 from the Anusandhan National Research Foundation (ANRF).

This funding has been awarded to support the organization of a technical workshop aimed at enhancing knowledge and research capabilities in emerging areas of Electronics and Communication Engineering.

The initiative reflects the department’s continuous commitment to academic excellence, innovation, and research development.

## Research And Development :

## Awareness Session on Operation Sindoor

Awareness Session on Operation Sindoor  
On account of the 1st Anniversary Celebration of Operation Sindoor, an “Awareness Session on Operation Sindoor” was successfully conducted in the Mechanical Engineering Smart Classroom. The session aimed to create awareness among cadets about the significance and objectives of Operation Sindoor.

A total of 34 cadets actively participated in the event and enthusiastically shared their ideas, thoughts, and views during the interactive session. The program served as a valuable platform for knowledge sharing, discussion, and awareness creation among the participants.
