ESEC Campus Chronicle

Students Won Third Prize in Project Expo at MVJ College of Engineering

The students **Dharanidhan C. M.** of III/EIE, **Ramsanjai R.** of II/Biotech, **Ranjith S.** of II/CSE, **Subiksha N. S.** of II/Biotech, and **Anjana T. H.** of II/Biotech secured the Third Prize in the Project Expo conducted at MVJ College of Engineering.

The team won a **cash award of Rs.10,000** for their innovative project presentation and outstanding performance during the expo. Their project received appreciation from the judges for its creativity, technical knowledge, and practical application.

The students were guided and mentored by **Mr. Mohanraj K. S.** from the Incubation Centre, whose support and encouragement played an important role in their achievement.

EIE Faculty Visited ISOI at IISc Bangalore for Funding and Internship Opportunities

On behalf of the Department of Electronics and Instrumentation Engineering (EIE), the faculty members **Dr. S. Sobana**, **Dr. C. Lakshman Priya**, and **S. Priya** visited Instrumentation Society of India at the Indian Institute of Science campus, Bangalore, regarding departmental funding and internship opportunities for EIE students.

During the visit, discussions were held on various opportunities related to student internships, industry collaboration, professional development activities, and possible funding support for departmental initiatives.

The interaction provided valuable insights into strengthening academic and industry connections for the benefit of students and faculty members.

Students Excel in National Level Financial Literacy Quiz

The **National Institute of Securities Markets** organized a **National Level Financial Literacy Quiz** for **UG** and **PG** students during **April 2026**.

At the college level **first round**, nearly **731 Engineering students** and **72 MBA students** actively participated with great enthusiasm.

Among them, students from the Departments of **ECE, RAE, AI&ML**, and **MBA** performed exceptionally well.

A total of six students — three from Engineering departments (**ECE, RAE, and AI&ML**) and **three MBA** students — emerged as winners in the first round and received a **cash prize of Rs.500** each for their outstanding performance.

First-Year MBA Students Visited Britannia Industries for Industrial Exposure

The **first-year MBA students** visited **Britannia Industries** as part of an industrial visit organized to enhance their understanding of the functional areas of business management.

During the visit, the students gained practical exposure to various business operations such as production, marketing, human resource management, supply chain management, and quality control.

The industry experts explained the working environment, organizational structure, and management practices followed in the company.

The industrial visit provided the students with an opportunity to connect theoretical concepts with real-time industrial practices.

ECE Faculty and Students Attended Workshop on Semiconductor and Manufacturing at IISc Bangalore

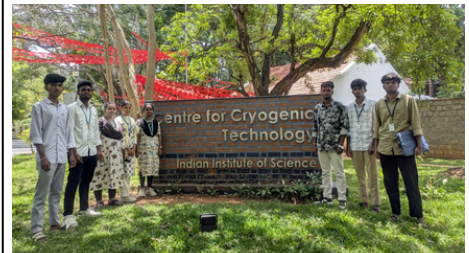

Indian Institute of Science organized a two-day offline workshop on **"Semiconductor and Manufacturing"** From the **Department of Electronics and Communication Engineering (ECE)**, **Brindha Mam** along with **9 second-year students** participated in the workshop.

The programme provided valuable exposure to semiconductor technologies, chip manufacturing processes, and recent advancements in the electronics industry.

The sessions were handled by experts from academia and industry, offering participants an opportunity to gain practical knowledge and interact with professionals in the field. The workshop helped the students and faculty enhance their technical understanding and awareness of emerging trends in semiconductor manufacturing.

ECE Faculty and Students Attended Workshop on Semiconductor and Manufacturing at IISc Bangalore ECE Faculty and Students Attended Workshop on Semiconductor and Manufacturing at IISc Bangalore

EEE Faculty and Students Participated in Workshop on Semiconductor and Manufacturing at IISc Bangalore

The **second-year EEE** students (8 members) and **third-year EEE** students (7 members), along with faculty member **Mrs. K. Preetha** from the **Department of Electrical and Electronics Engineering (EEE)**, attended a **two-day** workshop on **"Semiconductor and Manufacturing"** conducted at Indian Institute of Science, Bangalore.

The workshop provided valuable knowledge on semiconductor technologies, manufacturing processes, and recent developments in the electronics industry.

The participants had the opportunity to interact with experts and gain insights into emerging trends and innovations in the field.

Faculty Achievement in NPTEL Certification

The Department of MBA proudly congratulates **Mr. M. Nandhakumar, Assistant Professor**, for successfully completing the **NPTEL Online Certification Course on Human Behaviour** conducted during **February - April 2026**.

He secured the prestigious Elite grade in the examination, reflecting his dedication towards continuous learning and academic excellence.

This achievement enhances professional competency and contributes to enriching the teaching-learning process within the department.

Faculty Achievement in NPTEL Certification

- The Department of MBA proudly congratulates Mr. M. Nandhakumar, Assistant Professor, for successfully completing the NPTEL Online Certification Course on Human Behaviour
- He secured the prestigious Elite grade in the examination, reflecting his dedication towards continuous learning and academic excellence. This achievement enhances professional competency and contributes to enriching the teaching-learning process within the department.
- The Department of Electronics and Communication Engineering proudly congratulates Dr. Brindha (Elite) and Mr. Gladson for successfully completing the prestigious NPTEL examination. Their achievement reflects their dedication towards continuous learning, academic excellence, and professional development.
- We are delighted to announce that Ms. Manju from the Department of Computer Science and Ms. Rani Selvanayagi from the Department of Mathematics have successfully cleared the prestigious NPTEL examination with Elite certification.
- Hearty congratulations to Dr. Palanimani PG Sir for successfully clearing the NPTEL examination with Elite certification.
- We are proud to announce that Mr. K.C. Palanisamy, AP/CSD, has successfully completed two NPTEL courses with Elite certification.
- We are happy to share that Ms. R. Shri Keerthana, AP/CSD, has successfully cleared the NPTEL examination with Elite certification.
- We are pleased to share that Mr. Venkatachalam from the Department of Mathematics has successfully cleared the NPTEL examination with Elite certification.

- We are happy to announce that Ms. N. Krishnaveni, AP/AIML, has successfully cleared the NPTEL examination with Elite certification
- We are pleased to announce that Ms. Poongodi from the Department of Physics has successfully cleared the NPTEL examination with Elite certification.
- We are delighted to share that Mr. Mohanraj K. S., AP/Mechanical Engineering, Incubation Centre, has successfully completed the NPTEL course "Python for Data Science" with Elite certification.

AI & DS Faculty Achievement in NPTEL Examinations

We are happy to share that the following faculty members from the Department of Artificial Intelligence and Data Science have successfully completed NPTEL courses during the Jan-Apr 2026 session with Elite and Elite + Silver certifications.

- Dr. G. Saravanan – Cloud Computing and Distributed Systems (Elite)
- Mr. C. Senthil Kumar – Cloud Computing and Distributed Systems (Elite + Silver)
- Ms. A. N. Vinothini – Software Testing (Elite)
- Ms. D. Savitha – Introduction to Machine Learning (Completed)
- Ms. A. Ramyasri – Introduction to Internet of Things (Elite)
- Mr. C. Senthil Kumar – Introduction to Internet of Things (Elite + Silver)
- Mr. P. Kalidas – Introduction to Internet of Things (Completed)
- Mr. M. Senthil Kumar – Cloud Computing and Distributed Systems (Elite)

M.Tech CSE Faculty Achievement in NPTEL Online Certification Courses

We are delighted to share the achievements of the faculty members from the M.Tech CSE Department in the NPTEL Online Certification Courses. Their successful completion of these prestigious courses reflects their dedication towards continuous learning and academic excellence.

- Mr. A. Rajesh – Elite + Silver
- Ms. K. V. Kiruthikaa – Elite + Silver
- Ms. G. G. Girija Vasumathi – Elite + Silver
- Mr. Dhamothiran – Elite
- Mr. S. Mohankumar – Elite
- Ms. R. Rajeshwari – Elite
- Ms. S. Kirthika – Successfully Completed
- Ms. N. R. Raghupriya – Successfully Completed
- Mr. K. Gokul – Successfully Completed

ECE Faculty Achievement in NPTEL Examination

We are happy to share that the following faculty members from the Department of Electronics and Communication Engineering (ECE) have successfully cleared the NPTEL examination with outstanding grades.

- Ms. Mokana – Elite + Silver
- Ms. Savitha – Elite
- Mr. Satheshkumar – Successfully Completed

Civil Engineering Faculty Achievement in NPTEL Online Certification Courses

We are happy to share that the following faculty members from the Department of Civil Engineering have successfully completed the NPTEL Online Certification Courses.

- Dr. S. Arulmozhi – Elite
- Dr. J. Arun Prasad – Successfully Completed
- Dr. M. Dhivakar Karthik – Elite
- Mrs. G. Janani – Successfully Completed

ECE Faculty Achieve Success in NPTEL Examination

The Department of Electronics and Communication Engineering proudly congratulates **Dr. Brindha (Elite)** and **Mr. Gladson** for successfully completing the prestigious **NPTEL examination**. Their achievement reflects their dedication towards continuous learning, academic excellence, and professional development.

By successfully completing the course, they have enhanced their knowledge and expertise in their respective domains, which will further contribute to quality teaching and student development in the department.

EIE Faculty Participated in Two-Day Workshop on Semiconductor Manufacturing at IISc Bangalore

The faculty members from the Department of Electronics and Instrumentation Engineering (EIE) participated in a two-day offline workshop on "Semiconductor and Manufacturing Technologies" conducted at Indian Institute of Science, Bangalore.

The workshop provided valuable insights into the latest advancements in semiconductor technology, chip fabrication processes, manufacturing techniques, and emerging trends in the electronics industry.

Experts from academia and industry shared their knowledge through technical sessions, demonstrations, and interactive discussions.

The programme helped the participants enhance their technical knowledge and understand current developments in the semiconductor sector. The faculty members gained exposure to modern manufacturing practices, which will be beneficial for academic activities, research, and student learning.
