

ESEC Campus Chronicle

ESEC Recognized as Top Engineering College of Eminence in India 2026

Erode Sengunthar Engineering College (ESEC), Perundurai, has been honoured with the prestigious "**Top Engineering College of Eminence in India 2026**" recognition by **Competition Success Review (CSR)** in its **2026** rankings.

The recognition was awarded in appreciation of the institution's unwavering commitment to academic excellence, innovation, quality education, research, industry collaboration, and holistic student development.

ESEC Honoured with NPTEL Discipline Star and Domain Star Recognition at IIT Madras

Erode Sengunthar Engineering College (ESEC) proudly participated in the prestigious **NPTEL STAR** Workshop held at the Indian Institute of Technology Madras (IIT Madras).

During the workshop, the institution was honoured with the **NPTEL Discipline Star** and **NPTEL Domain Star certificates** in recognition of its outstanding contribution to promoting quality online learning, faculty development, and student excellence through the NPTEL initiative.

ESEC Students Represent the Institution at NIDAR 2026–2027 Inaugural Function

We are delighted to announce that our institution was invited as a **Special Invitee** to the inaugural function of **NIDAR 2026–2027**.

Representing Erode Sengunthar Engineering College, **Mr. M. Sanjeev (IV Year, Robotics and Automation Engineering)** and **Mr. J. K. Aswin (IV Year, Electronics and Communication Engineering)** proudly attended the prestigious event.

Adding to the celebration, our **Team Marutham** was honoured with a **memento** in recognition of securing the **Gold Winner** title during the previous NIDAR session.

This recognition reflects the team's dedication, innovation, and commitment to excellence.

II EEE Student Receives Prestigious NPTEL STAR Certificate at IIT Madras

Mr. Mohammed Sulaiman, a Second Year B.E. Electrical and Electronics Engineering (EEE) student of Erode Sengunthar Engineering College (Autonomous), proudly participated in the NPTEL STAR Workshop held at the Indian Institute of Technology Madras (IIT Madras).

Faculty Participate in CII MSME Competitiveness & Growth Conference

Dr. S. Suresh and **Mr. A. Kandaswamy** from Erode Sengunthar Engineering College (Autonomous) participated in the CII MSME Competitiveness & Growth Conference held on 10 July 2026 at Kongu Engineering College, Erode.

The conference, organized by the Confederation of Indian Industry (CII), brought together industry experts, entrepreneurs, academicians, and policymakers to discuss strategies for enhancing the competitiveness, innovation, and sustainable growth of Micro, Small, and Medium Enterprises (MSMEs).

EEE Faculty Participate in One-Day Workshop at Leo Electric Mobility

Faculty members from the Department of Electrical and Electronics Engineering (EEE), Erode Sengunthar Engineering College (Autonomous), actively participated in a **One-Day Workshop** conducted at **Leo Electric Mobility, Erode**.

The workshop was attended by the following faculty members:

- **Mr. P. Karthikeyan**
- **Mr. V. S. Nivedhan**
- **Mr. S. Mutharasu**
- **Mr. K. Karthikeyan**
- **Ms. J. Jayapriya**
- **Ms. R. Kamatchi**

DBT-Sponsored Two-Day National Level Seminar – Day 1

The Department of Artificial Intelligence successfully inaugurated the **DBT-sponsored Two-Day National Level Seminar on "AI-Enabled CRISPR and Microfluidic CRISPR-DX for Crop Improvement and Disease Detection."** The seminar brought together researchers, academicians, industry experts, and students to explore the transformative role of Artificial Intelligence in genome editing, precision agriculture, and advanced disease diagnostics.

ESEC Faculty Secures ₹2 Lakh Grant under VAANI Scheme

We are delighted to announce that **Mr. Vijayanandh** has been selected under the prestigious **VAANI Scheme** and has received a grant of **₹2 lakh** to organize a workshop.

This funding recognizes the quality and relevance of the proposed workshop and reflects the institution's commitment to promoting academic excellence, research, and knowledge dissemination.

The workshop aims to provide participants with valuable insights, hands-on learning experiences, and opportunities to engage with experts in the field.

72 Students Begin Industry Internship with QuantumQ Labs

As part of the ongoing **industry collaboration initiative with QuantumQ Labs, Coimbatore**, Erode Sengunthar Engineering College has commenced an internship program for **72 students** from the **Computer Science and Design (CSD), Information Technology (IT), Artificial Intelligence & Machine Learning (AI & ML), Cyber Security, Computer Science and Engineering (CSE), M.Tech CSE, and Artificial Intelligence & Data Science (AI & DS)** departments.

The internship is designed to provide students with hands-on industry exposure through real-time projects across various technology domains.

Brahmarsive India Pvt. Ltd. Placement Drive Successfully Completed

The Training and Placement Cell of **Erode Sengunthar Engineering College (Autonomous)** successfully facilitated the campus recruitment drive of **Brahmarsive India Pvt. Ltd.** for the **2027 Batch students**.

We are proud to announce that **Ms. Komala V. (M.Tech – Computer Science and Engineering)** and **Ms. Sakthivarshini K. (B.Tech – Information Technology)** have been successfully placed with **Brahmarsive India Pvt. Ltd.** with an attractive **CTC package of ₹4-6 LPA**.

ESEC Student Startup Showcased at AI for Social Impact Challenge 2026

Our student startup proudly showcased its innovative solution at the **"AI for Social Impact Challenge"** held on **15 July 2026** at **Anna University, Chennai**.

The prestigious event was organized by **HCLFoundation, StartupTN, and the Centre for Entrepreneurship Development (CED), Anna University**.

EEE Students Successfully Complete 5-Day Internship on Fundamentals of EV Technology

A total of **30 students** from the **Department of Electrical and Electronics Engineering (EEE)** successfully participated in a 5-day Internship Training Program on **"Fundamentals of EV Technology"** conducted at the EV Lab from **06.07.2026 to 13.07.2026**.

CSE Students Develop AI Animation Video During 5-Day AR/VR Internship

As part of the **5-Day AR/VR Internship Program**, second-year students from the **Department of Computer Science and Engineering (CSE)** successfully developed an AI-powered animation video titled **"Alphabet Rhymes."**

The project provided students with hands-on experience in AI-assisted content creation, covering prompt engineering, scriptwriting, animation production, screenplay development, music integration, and video editing.

Project Team:

- **Prompt & Script:** Mohammed Sheik Farith S.
- **Animation & Screenplay:** Ligesh M.
- **Lyrics & Songs:** Mohammed Arif S.
- **Editing:** Lokith S. and Pavithran S.

Students Secure Placements at Hints Technologies, Chennai

The Placement Cell of **Erode Sengunthar Engineering College (ESEC)** proudly congratulates the following students on securing placements at **Hints Technologies, Chennai**, with an annual salary package of **₹3.45 LPA**.

Department of Electronics and Communication Engineering (ECE):

- Rithick Roshan A
- Dinesh P
- Prem Kumar
- Sivasakthi

Department of Mechanical Engineering:

- Dhayanithi
- Pavithran
- Kumar

Department of Robotics and Automation Engineering (RAE):

- Hariprasanth A
- Nishanth
