ESEC Receives Prestigious NPTEL Contender Award – January–April 2026

Erode Sengunthar Engineering College (ESEC) is proud to announce that the institution has been honoured with the **NPTEL Contender Award for the January–April 2026** certification cycle.

This prestigious recognition reflects our institution's unwavering commitment to academic excellence, continuous learning, and the pursuit of knowledge beyond the classroom. It is a testament to the remarkable dedication and enthusiasm of our students and faculty members in successfully completing NPTEL online certification courses.

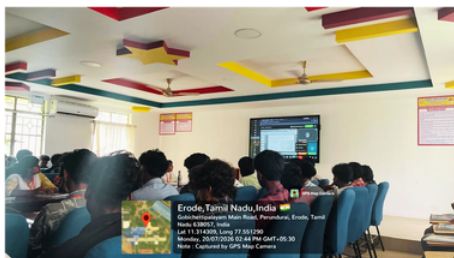

ESEC Project Selected for Regional Bootcamp – Nirmindhu Nil Hackathon 2026

We are delighted to share that a student project developed under our guidance has been selected for the Regional Level Bootcamp of the Nirmindhu Nil Hackathon 2026, which will be held at KPR Institute of Engineering and Technology from 22 July 2026 to 24 July 2026.

Earlier, four innovative ideas from Erode Sengunthar Engineering College were shortlisted for the District-Level Ideation Camp conducted at Erode Arts and Science College on 25 June 2026. We are proud to announce that our project is the only one among the four selected projects to qualify for the Regional Level Bootcamp.

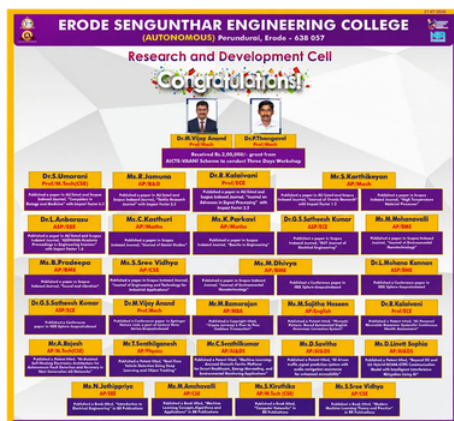

Online Expert Talk on Industry-Oriented Career Development in Chemical Engineering

The Department of Chemical Engineering, Erode Sengunthar Engineering College, successfully organized an Online Expert Talk on "Industry-Oriented Career Development in Chemical Engineering: From Campus to Global Opportunities" on 20 July 2026.

The expert session was delivered by Mr. Balumahendran Murali, Senior Process Engineer, Chiyoda Corporation, Global Headquarters, Yokohama, Japan. During the session, he shared valuable insights on current industry expectations, essential technical and professional skills, effective career planning, and emerging global career opportunities in the field of Chemical Engineering.

Research and Development Cell

Guest Lecture on "Shaping Future Professionals: The Campus to Corporate Journey"

The Department of Electronics and Communication Engineering (ECE), Erode Sengunthar Engineering College, successfully organized a Guest Lecture on "Shaping Future Professionals: The Campus to Corporate Journey."

The session was delivered by Ms. Ragavi Mani, Senior System Engineer, Infosys, Coimbatore, who shared valuable insights on career readiness, industry expectations, professional skills, and the transition from campus life to the corporate world. Her inspiring and informative interaction motivated students to prepare themselves for successful professional careers.

Mechanical Engineering Faculty Visit DMW CNC Centre for Industry-Institute Collaboration

Dr. M. Vijay Anand, Professor, and Dr. P. Thangavel, Professor, from the Department of Mechanical Engineering, Erode Sengunthar Engineering College (ESEC), visited the DMW CNC Centre to explore opportunities for strengthening industry-institute collaboration.

During the visit, discussions focused on fostering collaborative initiatives in the areas of student internships, industrial training, skill development, live projects, research activities, and knowledge exchange.

Department of Biomedical Engineering Students Visit Old Age Home and Donate Medical Kits

The III Year and Final Year students of the Department of Biomedical Engineering organized a meaningful social outreach visit to **Helping Hearts Old Age Home, Pallapalayam, Kanjikovil**, as part of their commitment to community service and social responsibility.

During the visit, the students donated essential medical equipment and first-aid supplies, including **IR Thermometers, Digital Blood Pressure Apparatus, Glucometers, and other basic first-aid medications**, to support the healthcare needs of the elderly residents.

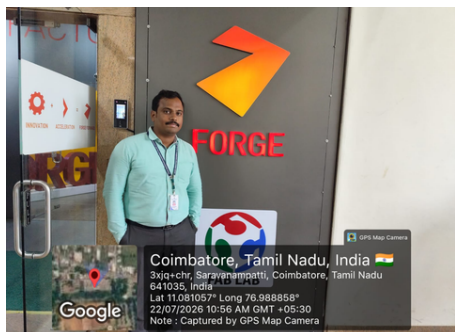

Department of Electronics and Communication Engineering Conducts Whizzcom Association Inauguration and ESDM Seminar

The Department of Electronics and Communication Engineering successfully inaugurated the **Whizzcom Association** and organized an insightful seminar on **"Electronic System Design and Manufacturing (ESDM)."**

The seminar was delivered by the distinguished resource person, **Dr. D. Nirmal**, Dean - Academic Affairs, Associate Dean - Engineering and Technology, and Professor, Department of Electronics and Communication Engineering, Karunya Institute of Technology and Sciences, Coimbatore.

Exposure Visit to Forge Innovation & Ventures During Nimirndhu Nil 2026 Regional Bootcamp

As part of the **Nimirndhu Nil 2026 Regional Bootcamp** held at **Kumaraguru College of Technology, Coimbatore**, participants had the opportunity to visit **Forge Innovation & Ventures - Incubation Centre (Fab Labs)** as part of the day's exposure visit.

The visit provided valuable insights into the innovation ecosystem, entrepreneurship, product development, and startup incubation processes.

ESEC TV Achieves a Remarkable Milestone of 9.4 Million Views

ESEC TV has proudly crossed the remarkable milestone of **9.4 million views**, marking another significant achievement in its journey of digital excellence. This accomplishment reflects the unwavering support of viewers, the dedication of students, and the continuous guidance of faculty members who have contributed to making **ESEC TV** a vibrant platform for learning, creativity, and communication.

Since its inception, **ESEC TV** has been consistently delivering engaging and informative content, including **live streaming, podcasts, campus news, student achievements, technical events, cultural programs, interviews, and entertainment-based educational content.**

CSD Department Organizes Seminar on "Proof of Concept to Venture Creation"

The **Department of Computer Science and Design (CSD)**, in association with the **Institution's Innovation Council (IIC)**, successfully organized a seminar on **"Proof of Concept to Venture Creation"** for students and faculty members.

The session was delivered by **Mr. A. Kandaswamy**, Assistant Professor, Department of MBA and Marketing Manager, **Erode Sengunthar Engineering College (ESEC)**. Drawing on his expertise in entrepreneurship and innovation, he provided valuable insights into the journey of transforming innovative ideas into successful business ventures.

Agricultural Engineering Students Undertake Extension Activity at Manasanthillam Trust

As part of the **Extension Activity**, the **third and fourth year B.Tech Agricultural Engineering** students of **Erode Sengunthar Engineering College (ESEC)** visited **Manasanthillam Trust, Gobichettipalayam**, to engage in a meaningful community service initiative.

During the visit, the students donated essential provisions to support the residents of the trust and organized a variety of competitions and recreational activities for individuals with intellectual disabilities.

Chemical Engineering Student Successfully Completes Summer School at IIT Madras

Mr. N. Tarun, a **Final Year B.Tech Chemical Engineering** student of **Erode Sengunthar Engineering College (ESEC)**, successfully completed the Summer School on **Nuclear Science and Engineering**, organized by the **School of Interdisciplinary Studies (SIDS)**, **Indian Institute of Technology (IIT)**

Madras, from 13th to 18th July 2026.

DYNAFEST 2026 Inauguration & Expert Talk on Innovation and Entrepreneurship

The Department of Electrical and Electronics Engineering, Erode Sengunthar Engineering College, successfully inaugurated its departmental association, **DYNAFEST 2026**, with great enthusiasm and academic spirit. The event marked the beginning of a series of technical, professional, and innovative activities planned for the academic year, providing students with a platform to enhance their technical knowledge, leadership skills, and industry exposure.

As part of the inaugural programme, an insightful expert talk on **"Innovation and Entrepreneurship in the Modern World"** was delivered by **Dr. Moorthy Selvakumaran, Founder, Selkon Industries Private Limited, Erode**

Blood Donation Camp Successfully Organized at ESEC

The **National Service Scheme (NSS) Units I & II** of **Erode Sengunthar Engineering College (Autonomous), Perundurai**, successfully organized a **Blood Donation Camp** on **23rd July 2026** at the college campus.

The camp was conducted with the objective of promoting the spirit of humanitarian service and encouraging voluntary blood donation among students, faculty, and staff.

A remarkable **167 units** of blood were collected during the camp, reflecting the institution's commitment to social responsibility and community welfare.

Out of the total collection, **71 units** were donated to the **Government Erode Medical College and Hospital Blood Bank, Perundurai**, while **96 units** were donated to the **Supreme Lions Blood Bank, Erode**. The camp was successfully conducted with the support of medical professionals and blood bank officials, ensuring a safe and systematic donation process.
