VISION

To become the premier department of excellence in the field of Mechanical Engineering, committed to provide global quality Mechanical Engineers to cater the needs of industries and the nation, in general.

MISSION

DM1: Teaching – Learning Process: To impart quality technical education through innovative teaching and learning mechanisms.

DM2: State of Art Infrastructure: To build the state-of-the-art infrastructure facilitating the faculty and students to learn and disseminate knowledge and innovate in their career.

DM3: Research and Development: To mould the aspiring young minds to emerge as successful practitioners of quality education through entrepreneurship, consultancy and research.

DM4: Core values & Ethics: To instill core values and strong ethics, nurturing the intellectual, socio-cultural and economic development of our diverse community.

PEO

PEO1: Basic knowledge: To prepare the students with strong fundamental knowledge in Mathematics, Science, English and Engineering Sciences so as to enable them to analyze the Mechanical Engineering related problems

PEO2: Core competence and professionalism: To develop ability among the students for acquiring technical knowledge in the Subjects and gaining the technical skills in classical software packages, applying the same for design, fabricate and install the machines.

PEO3: Research and Consultancy: To provide opportunities for the students to carry out research and consultancy activities by understanding the different industrial environments.

PEO4: Continuous Learning: To promote the students for continuous learning and higher studies with strong professional, moral and ethical values.

PSO

PSO1: Materials and Methods: An ability to choose the appropriate materials, the manufacturing process to design, model, simulate, analyze and fabricate the mechanical and thermal systems using suitable tools and techniques.

PSO2: Standardization: An ability to adopt various standard practices pertaining to design, manufacturing, operation and testing.

PSO3: Publication: An ability to document the inferences, interpretation of the results and publish the output in different forums.

PO'S

P01: Engineering Knowledge: Apply knowledge of mathematics, natural science, computing, engineering fundamentals and an engineering specialization as specified in WK1 to WK4 respectively to develop to the solution of complex engineering problems.

P02: Problem Analysis: Identify, formulate, review research literature and analyze complex engineering problems reaching substantiated conclusions with consideration for sustainable development. (WK1 to WK4)

P03: Design/Development of Solutions: Design creative solutions for complex engineering problems and design/develop systems/components/processes to meet identified needs with consideration for the public health and safety, whole-life cost, net zero carbon, culture, society and environment as required. (WK5)

P04: Conduct Investigations of Complex Problems: Conduct investigations of complex engineering problems using research-based knowledge including design of experiments, modelling, analysis & interpretation of data to provide valid conclusions. (WK8).

P05: Engineering Tool Usage: Create, select and apply appropriate techniques, resources and modern engineering & IT tools, including prediction and modelling recognizing their limitations to solve complex engineering problems. (WK2 and WK6)

P06: The Engineer and The World: Analyze and evaluate societal and environmental aspects while solving complex engineering problems for its impact on sustainability with reference to economy, health, safety, legal frame work, culture and environment. (WK1, WK5, and WK7).

P07: Ethics: Apply ethical principles and commit to professional ethics, human values, diversity and inclusion; adhere to national & international laws. (WK9)

P08: Individual and Collaborative Teamwork: Function effectively as an individual, and as a member or leader in diverse/multi-disciplinary teams.

P09: Communication: Communicate effectively and inclusively within the engineering community and society at large, such as being able to comprehend and write effective reports and design documentation, make effective presentations considering cultural, language, and learning differences

P010: Project Management and Finance: Apply knowledge and understanding of engineering management principles and economic decision-making and apply these to one's own work, as a member and leader in a team, and to manage projects and in multidisciplinary environments.

P011: Life-Long Learning: Recognize the need for, and have the preparation and ability for
i) Independent and life-long learning ii) adaptability to new and emerging technologies and iii) critical thinking in the broadest context of technological change. (WK8)

About the Department

As industries move towards greater efficiency and environmental responsibility, mechanical engineering continues to play a crucial role in shaping modern technology and infrastructure.

The **Department of Mechanical Engineering** was established in the year **1996**. It is equipped with the state-of-the-art laboratories and computing facilities with high caliber equipment and machinery. The department has highly qualified and experienced faculty members. Accredited by **NBA in 2009** the Department has been recognized as a research centre by Anna University. The department also offers a Postgraduate Programme (M.E.) in Industrial Safety Engineering and M.E Manufacturing Engineering.

The Department has **modern facilities**, enabling **cutting edge research** in a wide spectrum of technological areas. The department actively assists local industries in product design, complex-part manufacturing etc.,.

The faculty members actively engage in research and constantly publish papers in International and National Journals. Guest lectures and industrial visits are periodically arranged for the students to enhance their curriculum. The department is well known for its vibrant club activities and professional chapters. The students are trained through the incubation centre, **CNC Training** cum Machining center and **Drone development** center to carry out real time projects.

The students are exposed to latest developments in the field of Mechanical Engineering by means of organizing symposia, seminars, workshops to enrich their knowledge. Apart from that, the students are **trained in language laboratory** to enhance their communication skills and in **software packages** to design and simulate and analyses the mechanical components. It strives for all round excellence in students, encouraging them in all extra-curricular activities.

Faculty Achievements

Diploma in Trainers of Personality & Development

Faculty Achievement – Personality & Development Trainer Diploma

Faculty Professional Development Achievement

The Department of Mechanical Engineering is proud to announce that **Mr. Prabhakaran A** has successfully completed a prestigious **Diploma on Trainers of Personality & Development** under the Continuing Education Program.

Program Details:

Organized by: University Skill Development Centre, Rashtrasant Tukadoji Maharaj Nagpur University (under Board of Lifelong Learning and Extension)

In Collaboration with: NCC Officers Training Academy, Kamptee

Duration: 660 Hours

Session: 2025-2026

Credits Earned: 30

Performance: CGPA 7 with B+ Grade

Date of Award: 23rd April 2026

This comprehensive 660-hour diploma program equips faculty with advanced skills in personality development, leadership, training methodologies, and holistic student development — enhancing their ability to mentor and guide students effectively.

Relevant to: POs: PO6, PO7, PO8, PO9, PO11

PSOs: PSO1

SDGs: SDG 4 (Quality Education), SDG 8 (Decent Work and Economic Growth)

Congratulations to Mr. Prabhakaran A on this outstanding achievement! This certification reflects his commitment to continuous professional development and will greatly benefit the students of the Department of Mechanical Engineering through enhanced mentoring and soft skills training.

Associate NCC Officer, AP Mech., ESEC

Mr. R. Manikandan, Department of Mechanical Engineering, Erode Sengunthar Engineering College, participated in the Faculty Development Programme (FDP) titled “Innovative Teaching with Machine Learning: Tools, Techniques, and Trends”, organized by Jeppiar Institute of Technology, from 02 February 2026 to 07 February 2026.

Mr. L. Boopalan, faculty members of the Department of Mechanical Engineering, successfully participated in the Faculty Development Programme (FDP) on “Innovative Teaching with Machine Learning: Tools, Techniques, and Trends”, organized by Jeppiar Institute of Technology, from 02 February 2026 to 07 February 2026.

Mr. K. S. Mohanraj, Department of Mechanical Engineering, Erode Sengunthar Engineering College, has achieved a notable milestone through the publication of a patent titled “AI-Enabled Stealth Surveillance System for Hybrid Cyber-Physical Security” on 02 January 2026.

Mr. K. S. Mohanraj, Department of Mechanical Engineering, Erode Sengunthar Engineering College, has received a Design Patent Grant for his innovative design titled “IoT Based Multifunctional Agro Machine” on 09 January 2026

Dr. S. Navaneethakrishnan, Department of Mechanical Engineering, Erode Sengunthar Engineering College, has been honoured with the NPTEL – Prospects 2025 Award, presented by IIT Madras, on 31 January 2026.

Mr. L. Boopalan, faculty member of the Department of Mechanical Engineering, successfully participated in the Workshop on “Multi-AM Processing of Polymer Matrix Composites”, organized by National Institute of Technology, Tiruchirappalli, from 18 May 2026 to 20 May 2026.

Mr. K. S. Mohanraj, Department of Mechanical Engineering, Erode Sengunthar Engineering College, has achieved a significant milestone with the publication of a patent titled “A Soft Robotic Actuator with Pneumatic Artificial Muscles and Variable Stiffness” on 30 January 2026.

Dr. M. Elango, Department of Mechanical Engineering, Erode Sengunthar Engineering College, has published a research paper titled “Cadmium Telluride Solar Cell Configuring with Magnesium Zinc Oxide Buffer/Molybdenum Back Contact Layer: Performance Study” in February 2026.

Mr. L. Boopalan, faculty member of the Department of Mechanical Engineering, successfully participated in the **Faculty Development Programme (FDP)** on “**Inspection and Quality Control in Manufacturing**”, organized by **IIT Madras / NPTEL**, from **01 January 2026 to 28 February 2026**.

Ms. G. Dhayanithi, faculty member of the Department of Mechanical Engineering, successfully participated in the **Faculty Development Programme (FDP)** on “**Innovative Teaching with Machine Learning: Tools, Trends and Techniques**”, organized by **Jeppiaar Institute of Technology**, from **02 February 2026 to 07 February 2026**.

Mr. Prabhakaran A, faculty member of the Department of Mechanical Engineering, successfully participated in the **Pre-Commission Training** under **NSS/NCC**, organized by the **Officers Training Academy**, from **05 January 2026 to 04 April 2026**.

Ms. G. Dhayanithi, faculty member of the Department of Mechanical Engineering, successfully participated in the **Faculty Development Programme (FDP)** on “**Innovative Teaching with Machine Learning: Tools, Trends and Techniques**”, organized by **Jeppiaar Institute of Technology**, from **02 February 2026 to 07 February 2026**.

Mr. D. Ashokkumar, faculty member of the Department of Mechanical Engineering, successfully participated in the **Faculty Development Programme (FDP)** on “**Innovative Teaching with Machine Learning**”, organized by **Jeppiaar Institute of Technology**, from 02 February 2026 to 07 February 2026.

Dr. M. Elango, faculty member of the Department of Mechanical Engineering, successfully participated in the **Workshop on “Mechanical and Programming of Serial Manipulators”**, organized by **Rajalakshmi Engineering College**, from 16 February 2026 to 21 February 2026.

Mr. Prabhakaran A, faculty member of the Department of Mechanical Engineering, successfully participated in the **Cadet Training Program** under **NSS/NCC**, organized by **EXPA India Officers Training Academy**, from 26 February 2026 to 28 February 2026.

Mr. Parthiban J, faculty member of the Department of Mechanical Engineering, successfully participated in the **Faculty Development Programme (FDP)** organized by **Velammal Institute of Technology**, from 05 March 2026 to 11 March 2026.

Mr. Prabhakaran A, faculty member of the Department of Mechanical Engineering, successfully participated in the **One-Day Workshop on “Empowering Research Scholars for Grants, Publications and Patents”**, organized by **Anna University, Chennai**, on **11 April 2026**.

Mr. Parthiban J, faculty member of the Department of Mechanical Engineering, successfully participated in the **Faculty Development Programme (FDP)** organized by **Coimbatore Institute of Engineering and Technology**, from **08 April 2026 to 12 April 2026**.

Mr. M. Hariharan, faculty member of the Department of Mechanical Engineering, successfully participated in the **Faculty Development Programme (FDP)** on **“Modern Additive Manufacturing Process, Materials and Applications”**, organized by **Coimbatore Institute of Engineering and Technology**, from **08 April 2026 to 12 April 2026**.

Mr. D. Ashokkumar, faculty member of the Department of Mechanical Engineering, successfully participated in the **Faculty Development Programme (FDP)** on **“Green Engineering and Sustainable Technology (GEST-2K25)”**, organized by **Arjun College of Technology**, from **04 May 2026 to 09 May 2026**.

Proud Announcement from Erode Sengunthar Engineering College!

We are thrilled and honored to share that Erode Sengunthar Engineering College has been selected for the prestigious Green Champion Award by the Government of Tamil Nadu, instituted through the Tamil Nadu Pollution Control Board (TNPCB).

This recognition celebrates our institution's exemplary contributions to environmental conservation, sustainability practices, and proactive efforts in promoting green initiatives on campus and beyond.

The award, carrying a cash prize of ₹ 1,00,000 (One Lakh Rupees) along with a certificate of honor, was proudly received on behalf of the college by:

Mr. G. Dhayanithi

Mr. L. Boopalan

We extend our heartfelt thanks to the Government of Tamil Nadu, TNPCB, and the District Level Award Committee for this wonderful recognition. It motivates us to continue our journey towards a greener and more sustainable future!

The Department of Mechanical Engineering successfully organized an Expert Lecture Today 16.03.2026 on “Autonomous Robotics and Artificial Intelligence for Real-Time Non-Destructive Inspection in Smart Manufacturing.”

The session was delivered by Mr. R. Manikandan, Inspection Engineer (QA/QC), Queen India Engineering Services, Erode.

Student Participations

Student Spotlight: Ramesh.M Shines at National Symposium

Ramesh.M of II/III has actively participated in a National Symposium organized by Sree Venkateshwara College on 13th March 2026.

His participation aligns with PO1, PO2, PO9, PO12, PSO1 and supports SDG 4 (Quality Education) and SDG 9 (Industry, Innovation & Infrastructure).

Congratulations, Ramesh.M!

Karan.P of III/VI has actively participated in the National Level Techli Cultural Student Festival organized by Erode Sengunthar Engineering College on 4th October 2026.

His participation aligns with PO9, PO10, PO12, PSO1 and contributes to SDG 4 (Quality Education).

Congratulations, Karan.P!

Student Achievement Spotlight

Logesh R of III/VI has actively participated in the prestigious KITEODYSSEY 3.0: A Techie Cultural Student Festival organized by KGiSL Institute of Technology on 4th October 2026 at the National level.

His enthusiastic participation aligns with PO9, PO10, PO12, PSO1 and contributes to SDG 4 (Quality Education).

Dhanush M of II/IV has actively **participated** in the **Bizwiz Challenge (Quiz)** organized by Sree Venkateshwara College on **1st July 2026** at the National level.

His participation aligns with **PO1, PO2, PO12, PSO1** and supports **SDG 4 (Quality Education)**.

Congratulations, Dhanush M!

Navin Kumar S Represents Department at National Technical Quiz Competition,

Mr. Navin Kumar S, III Year Mechanical Engineering, actively participated in a National Level Technical Quiz organized by Sree Venkateshwara College on 13 March 2026. His participation demonstrated strong technical knowledge, analytical thinking, and a commitment to continuous learning. The event contributed to the attainment of PO1, PO2, PO12, and PSO1 while supporting SDG 4 – Quality Education.

Saravanan G Demonstrates Technical Excellence at National Level Quiz,

Mr. Saravanan G, a III Year Mechanical Engineering student, participated in the National Level Technical Quiz conducted by Sree Venkateshwara College on 13 March 2026. The event provided an excellent platform to enhance technical aptitude, problem-solving abilities, and competitive learning skills. His participation supports the achievement of PO1, PO2, PO12, and PSO1 while contributing to SDG 4 – Quality Education.

Maneeskumar P Enhances Financial Literacy Through National Financial Quiz

Mr. Maneeskumar P, a III Year Mechanical Engineering student, participated in the National Financial Quiz organized by NISM on 02 May 2026. The competition helped strengthen his financial awareness, analytical thinking, and decision-making skills while encouraging interdisciplinary learning beyond the engineering curriculum. His participation contributes to the attainment of PO1, PO2, PO12, and PSO1 and aligns with SDG 4 – Quality Education.

Rahul Kannan E Participates in EFFICACY 2026 National Technical Event

Mr. Rahul Kannan E, a III Year Mechanical Engineering student, proudly represented the department by participating in EFFICACY 2026, a prestigious National Level technical event organized by Government College of Engineering on 03 April 2026. The event offered opportunities to engage with innovative engineering ideas, enhance technical competencies, and develop collaborative skills. His active participation reflects a commitment to lifelong learning and professional growth, contributing to PO1, PO2, PO9, PO12, PSO1, and supporting SDG 4 and SDG 9.

Gokulmurugan L Participates in National Level Technical Quiz

Mr. Gokulmurugan L, a III Year Mechanical Engineering student, actively participated in the National Level Technical Quiz organized by Sree Venkateshwara College on 13 March 2026. The event provided an excellent opportunity to strengthen technical knowledge, analytical thinking, and problem-solving abilities through competitive learning. His participation contributes to the attainment of PO1, PO2, PO12, and PSO1 while supporting SDG 4 – Quality Education.

Kishore Kumar B Participates in National Level CAD Modelling Event

Mr. Kishore Kumar B, a III Year Mechanical Engineering student, participated in the National Level **CAD Modelling** event organized by Al-Ameen College of Engineering on 17 February 2026. The event enhanced his computer-aided design skills, creativity, and proficiency in engineering visualization and product development. His participation contributed to the attainment of PO1, PO5, PSO1, and PSO2 while supporting SDG 4 – Quality Education and SDG 9 – Industry, Innovation, and Infrastructure.

Srikanth T Participates in KITEODYSSEY 3.0 National Student Festival

Mr. Srikanth T, a III Year Mechanical Engineering student, actively participated in **KITEODYSSEY 3.0: A Techie Cultural Student Festival** organized by KGiSL Institute of Technology on 10 April 2026. The festival provided a vibrant platform to showcase creativity, teamwork, communication, and leadership skills while interacting with students from diverse disciplines. His participation contributed to the attainment of PO9, PO10, PO12, and PSO1, while supporting SDG 4 – Quality Education through holistic student development.

Maneeskumar P Enhances Manufacturing Skills Through CNC Programming Training

Mr. Maneeskumar P, a III Year Mechanical Engineering student, participated in the National Level training program on **CNC Programming – Lathe** conducted by MSME Technology Development Centre on 02 April 2026. The program provided hands-on exposure to CNC machine programming, modern manufacturing practices, and industry-oriented technical skills. His participation strengthened practical engineering competencies, contributing to PO1, PO5, and PSO1 while supporting SDG 4 – Quality Education, SDG 8 – Decent Work and Economic Growth, and SDG 9 – Industry, Innovation, and Infrastructure.

Balaji T Participates in KITEODYSSEY 3.0 National Student Festival

Mr. Balaji T, a III Year Mechanical Engineering student, actively participated in **KITEODYSSEY 3.0: A Techie Cultural Student Festival** organized by KGiSL Institute of Technology on 10 April 2026. The event offered an excellent opportunity to enhance communication, teamwork, creativity, and interpersonal skills through various cultural and technical activities. His participation contributed to the attainment of PO9, PO10, PO12, and PSO1 while supporting SDG 4 – Quality Education through overall personality and skill development.

Kumar G Participates in Nexus-26 National Technical Event.

Mr. Kumar G, a III Year Mechanical Engineering student, actively participated in **Nexus-26**, a National Level technical event organized by KGiSL Institute of Technology on 10 April 2026. The event provided valuable exposure to innovative engineering concepts, technical problem-solving, and collaborative learning experiences. His participation contributed to the attainment of PO1, PO2, PO9, PO12, and PSO1 while supporting SDG 4 – Quality Education and SDG 9 – Industry, Innovation, and Infrastructure.

Hari Prasanth M Strengthens Technical Competence at Nexus-26.

Mr. Hari Prasanth M, a II Year Mechanical Engineering student, actively participated in **Nexus-26**, a National Level technical event organized by Kongu Engineering College on 16 February 2026. The event provided an excellent platform to explore emerging engineering technologies, enhance technical problem-solving abilities, and foster teamwork through competitive activities. His participation contributed to the attainment of PO1, PO2, PO9, PO12, and PSO1 while supporting SDG 4 – Quality Education and SDG 9 – Industry, Innovation, and Infrastructure.

Hariharan V Showcases Technical Enthusiasm at Nexus-26

Mr. Hariharan V, a II Year Mechanical Engineering student, actively participated in **Nexus-26**, a National Level technical event organized by Kongu Engineering College on 16 February 2026. The event offered valuable opportunities to enhance technical knowledge, analytical thinking, and teamwork through interaction with peers and industry-relevant activities. His participation contributed to the attainment of PO1, PO2, PO9, PO12, and PSO1 while supporting SDG 4 – Quality Education and SDG 9 – Industry, Innovation, and Infrastructure.

Renisavion A Participates in Nexus-26 National Technical Event

Mr. Renisavion A, a III Year Mechanical Engineering student, actively participated in **Nexus-26**, a National Level technical event organized by Kongu Engineering College on 16 February 2026. The event provided a valuable platform to explore innovative engineering concepts, strengthen analytical and problem-solving skills, and engage in collaborative learning. His participation contributed to the attainment of PO1, PO2, PO9, PO12, and PSO1 while supporting SDG 4 – Quality Education and SDG 9 – Industry, Innovation, and Infrastructure.

Mohanraj K Participates in Nexus-26 National Technical Event.

Mr. Mohanraj K, a III Year Mechanical Engineering student, actively participated in **Nexus-26**, a National Level technical event organized by Kongu Engineering College on 16 February 2026. The event provided an excellent opportunity to enhance technical knowledge, analytical thinking, and collaborative problem-solving skills through various engineering-focused activities. His participation contributed to the attainment of PO1, PO2, PO9, PO12, and PSO1 while supporting SDG 4 – Quality Education and SDG 9 – Industry, Innovation, and Infrastructure.

Balaji V Strengthens Engineering Competencies Through Nexus-26 Participation

Mr. Balaji V, a III Year Mechanical Engineering student, actively participated in **Nexus-26**, a National Level technical event organized by Kongu Engineering College on 16 February 2026. The event served as an excellent platform to enhance technical knowledge, critical thinking, and teamwork through engaging engineering activities and competitions. His participation contributed to the attainment of PO1, PO2, PO9, PO12, and PSO1 while supporting SDG 4 – Quality Education and SDG 9 – Industry, Innovation, and Infrastructure.

Jawahar B Participates in Nexus-26 National Technical Event

Mr. Jawahar B, a II Year Mechanical Engineering student, actively participated in **Nexus-26**, a National Level technical event organized by Kongu Engineering College on 16 February 2026. The event provided valuable exposure to innovative engineering practices, technical problem-solving, and collaborative learning experiences. His participation contributed to the attainment of PO1, PO2, PO9, PO12, and PSO1 while supporting SDG 4 – Quality Education and SDG 9 – Industry, Innovation, and Infrastructure.

Icewaran K Participates in Nexus-26 National Innovation Event

Mr. Icewaran K, a III Year Mechanical Engineering student, actively participated in **Nexus-26**, a National Level event organized by Kongu TBI on 16 February 2026. The event provided an enriching platform to explore innovative ideas, strengthen technical and analytical skills, and engage in collaborative learning with participants from diverse backgrounds. His participation contributed to the attainment of PO1, PO2, PO9, PO12, and PSO1 while supporting SDG 4 – Quality Education and SDG 9 – Industry, Innovation, and Infrastructure.

Pavithiran M Secures Victory at Technovanza 2K26 National Event

Mr. Pavithiran M, a III Year Mechanical Engineering student, achieved distinction by securing **Winner** position in **Technovanza 2K26**, a National Level technical event organized by Shree Venkateshwara Hi-Tech Engineering College on 13 March 2026. His outstanding performance showcased technical expertise, innovative thinking, and effective teamwork in a competitive environment. This achievement contributes to the attainment of PO1, PO2, PO9, PO12, and PSO1 while supporting SDG 4 – Quality Education and SDG 9 – Industry, Innovation, and Infrastructure.

Jagadeesh C Participates in National Level Technical Quiz.

Mr. Jagadeesh C, a III Year Mechanical Engineering student, actively participated in the **Technical Quiz** conducted as part of the National Level event at Shree Venkateshwara Hi-Tech Engineering College on 13 March 2026. The competition provided an excellent opportunity to enhance technical knowledge, analytical thinking, and problem-solving skills through a challenging and competitive environment. His participation contributed to the attainment of PO1, PO2, PO12, and PSO1 while supporting SDG 4 – Quality Education.

Gokulkrishnan N Participates in Technovanza 2K26 National Technical Event

Mr. Gokulkrishnan N, a II Year Mechanical Engineering student, actively participated in **Technovanza 2K26**, a National Level technical event organized by Shree Venkateshwara Hi-Tech Engineering College on 13 March 2026. The event provided a valuable platform to explore innovative engineering concepts, enhance technical competencies, and develop teamwork and problem-solving skills. His participation contributed to the attainment of PO1, PO2, PO9, PO12, and PSO1 while supporting SDG 4 – Quality Education and SDG 9 – Industry, Innovation, and Infrastructure.

Dhayanithi A Participates in Technovanza 2K26 National Technical Event

Mr. Dhayanithi A, a II Year Mechanical Engineering student, actively participated in **Technovanza 2K26**, a National Level technical event organized by Shree Venkateshwara Hi-Tech Engineering College on 13 March 2026. The event offered an excellent opportunity to gain exposure to emerging technologies, strengthen technical knowledge, and develop teamwork and problem-solving abilities through competitive activities. His participation contributed to the attainment of PO1, PO2, PO9, PO12, and PSO1 while supporting SDG 4 – Quality Education and SDG 9 – Industry, Innovation, and Infrastructure.

Karthikeyan K Participates in National Level Technical Quiz

Mr. Karthikeyan K, a III Year Mechanical Engineering student, actively participated in the **Technical Quiz** organized by Sree Venkateshwara College on 13 March 2026. The competition provided an excellent platform to enhance technical knowledge, analytical thinking, and problem-solving abilities through competitive learning. His participation contributed to the attainment of PO1, PO2, PO12, and PSO1 while supporting SDG 4 – Quality Education.

Kumar G Participates in National Level Technical Quiz

Mr. Kumar G, a II Year Mechanical Engineering student, actively participated in the **Technical Quiz** organized by Sree Venkateshwara College on 13 March 2026. The event provided a valuable opportunity to strengthen technical knowledge, enhance analytical thinking, and improve problem-solving skills through a competitive learning environment. His participation contributed to the attainment of PO1, PO2, PO12, and PSO1 while supporting SDG 4 – Quality Education.

Rajesh G Participates in National Level Technical Quiz

Mr. Rajesh G, a III Year Mechanical Engineering student, actively participated in the **Technical Quiz** organized by Sree Venkateshwara College on 13 March 2026. The competition served as an excellent platform to enhance technical knowledge, analytical thinking, and problem-solving abilities while fostering a spirit of academic excellence and continuous learning. His participation contributed to the attainment of PO1, PO2, PO12, and PSO1 while supporting SDG 4 – Quality Education.

Gowtham Kumaran T Participates in Inter Collegiate Fest–2026

Mr. Gowtham Kumaran T, a II Year Mechanical Engineering student, actively participated in **Inter Collegiate Fest–2026** organized by Sree Venkateshwara College on 07 January 2026. The event provided an excellent platform to enhance communication, teamwork, leadership, and interpersonal skills through interaction with students from diverse disciplines. His participation contributed to the attainment of PO9, PO10, PO12, and PSO1 while supporting SDG 4 – Quality Education through holistic student development.

Bharath R Participates in Inter College Fest

Mr. Bharath R, a III Year Mechanical Engineering student, actively participated in the **Inter College Fest** organized by Sree Venkateshwara College on 07 January 2026. The event offered a dynamic platform to enhance communication, teamwork, leadership, and interpersonal skills through various collaborative and cultural activities. His participation contributed to the attainment of PO9, PO10, PO12, and PSO1 while supporting SDG 4 – Quality Education through overall personality and skill development.

Placements

The Department of Mechanical Engineering (2025 batch) has successfully placed **eleven students** at **Crown Inspection and Engineering Services Pvt. Ltd.**

Student Internships

The Department of Mechanical Engineering, Erode Sengunthar Engineering College, is pleased to highlight the successful completion of industrial training by three students at Microtech Precision Engineering, Coimbatore, from 20 January 2026 to 14 May 2026.

S.No	Training Period	Student Name
1	20/01/2026 to 14/05/2026	Dinesh P
2	20/01/2026 to 14/05/2026	Giridharan S
3	20/01/2026 to 14/05/2026	Vignesh S

The Department of Mechanical Engineering, Erode Sengunthar Engineering College, provided students with an opportunity to gain valuable practical exposure through industrial training at Sriram Industries, Chennai, from 19 January 2026 to 30 June 2026.

S.No.	Training Period	Student Name
1	19/01/2026 to 30/06/2026	Dinesh U
2	19/01/2026 to 30/06/2026	Vasanth M
3	19/01/2026 to 30/06/2026	Yuvaraj S

The Department of Mechanical Engineering, Erode Sengunthar Engineering College, provided students with an opportunity to gain valuable industrial exposure through practical training. Boopathi A and Suguna P underwent industrial training from 27.01.2026 to 14.05.2026

S.No.	Training Period	Student Name
1	27/01/2026 to 14/05/2026	Boopathi A
2	27/01/2026 to 14/05/2026	Suguna P

The Department of Mechanical Engineering, Erode Sengunthar Engineering College, facilitated an industry-oriented training opportunity for students to enhance their practical knowledge and professional competencies. A group of **nine Mechanical Engineering students** successfully underwent industrial training from **20.02.2026** to **20.05.2026**.

S.No.	Training Period	Student Name
1	20/02/2026 to 20/05/2026	Kumaravel D
2	20/02/2026 to 20/05/2026	Logesh R
3	20/02/2026 to 20/05/2026	Sanjay Kumar
4	20/02/2026 to 20/05/2026	Gokul Y
5	20/02/2026 to 20/05/2026	Gowtham R
6	20/02/2026 to 20/05/2026	John Joshwa D
7	20/02/2026 to 20/05/2026	Karan P
8	20/02/2026 to 20/05/2026	Kartheeswaran N
9	20/02/2026 to 20/05/2026	Saravanan Sarathi S

The Department of Mechanical Engineering, Erode Sengunthar Engineering College, Perundurai, Erode, organized a CAM Programming Training Programme during January 2023. The programme was conducted on 07.01.2023, 08.01.2023, 14.01.2023, 15.01.2023, and 21.01.2023, with the participation of 24 students.

The Department of Mechanical Engineering, Erode Sengunthar Engineering College, Perundurai, Erode, organized an Introduction to Fire & Safety Training Programme during January and February 2023. The programme was conducted on 28.01.2023, 29.01.2023, 04.02.2023, 05.02.2023, and 11.02.2023, with the participation of 23 students.

The Department of Mechanical Engineering, Erode Sengunthar Engineering College, Perundurai, Erode, organized an Introduction to AutoCAD Training Programme during February 2023. The programme was conducted on 11.02.2023, 12.02.2023, 18.02.2023, 19.02.2023, and 25.02.2023, with the participation of 23 students.

The Department of Mechanical Engineering, Erode Sengunthar Engineering College, Perundurai, Erode, organized an Introduction to Computational Fluid Dynamics (CFD) Training Programme during March 2023. The programme was conducted on 04.03.2023, 05.03.2023, 11.03.2023, 12.03.2023, and 18.03.2023, with the participation of 23 students.

The Department of Mechanical Engineering, Erode Sengunthar Engineering College, Perundurai, Erode, organized a specialized training programme titled “Redefine Automotive Design by Ansys” during March 2024. The programme was conducted on 03.03.2024, 09.03.2024, 10.03.2024, 17.03.2024, and 23.03.2024, with the participation of 60 students.

The Department of Mechanical Engineering, Erode Sengunthar Engineering College, Perundurai, Erode, organized a specialized training programme titled “Mastering in CNC Programming” during February and March 2025. The programme was conducted from 17.02.2025 to 07.03.2025, with the participation of 30 students.

The Department of Mechanical Engineering, Erode Sengunthar Engineering College, Perundurai, Erode, organized a specialized training programme titled “Mastering in CNC Programming” during February and March 2025. The programme was conducted from 17.02.2025 to 07.03.2025, with the participation of 30 students

The Department of Mechanical Engineering, Erode Sengunthar Engineering College, Perundurai, Erode, organized a specialized training programme on “CNC Programming on Lathe” during February 2026. The programme was conducted from 04.02.2026 to 13.02.2026, with the participation of 32 students.

Student Projects

The Department of Mechanical Engineering is proud to showcase the final-year project titled “Experimental Investigation of a 8 cm² PEM Fuel Cell for Portable Power Application” carried out by students of the 2025 batch under the guidance of Mr. V. P. Krishnamurthy, Mechanical Engineering.
